### Academic Progress

- After the February staff development days led by our Department Leads, many teachers have implemented strategies learned that day. Specifically, teachers have utilized a website called myshortanswer.com where students have the opportunity to share their writing with the class and allows other students to view and analyze.
- Core teachers are gearing up for STAAR bootcamp starting after spring break. Utilizing the benchmark data and information learned from the STAAR Studied Event, teachers prepared a weekly lesson plan for STAAR bootcamp.
- Most students have turned in their course selection sheet. Counselor is working on inputting courses into Ascender to continue the master schedule process.
- I have continued to meet with Dr. Kauffman, Coach Hill, Mr. Parker, and the counselors to work through scheduling for next school year.
- The UIL Band Competition is taking place this month.
- The Site Based Decision Making committee continues to meet this month to review the CIP and plan for next year.

### School Culture

- Cheer and Dance tryouts are scheduled for the month of March.
- Track season is well underway and we are looking forward to Tennis and Golf.
- We celebrated our teachers before Spring Break with special treats and goodies to send them off on a restful break.
