

# Special Programs

March, 2017

## Special Education

We have just finished up the ODE State Reports in the areas of High Cost Disability and beginning to create the SPED Consolidated Improvement Plan.

## English Language Learners

Currently we have 16 students identified as ELL.

ELL State Report #1 is done and turned in for the 2016-17 school year.

## AVID- Advancement via Individual Determination

Data collection time is here for AVID. The 2 SITE team coordinators are currently gathering data and we will be working on that report before spring break.

Our AVID team is signed up for the Summer Institute. This year we will be taking 8 people to the Sacramento Summer Institute in July.

I attended the last of the 2 year District Director Trainings at the end of February. It was a great learning experience for me and I am really thankful for all of the truly amazing people I have had the opportunity to get to know and to add to my lists of supports.
