Friday, June 3, 2022	Quarter ends		

Building Update

Blackfeet Word of the Month: June, miisaamsootaiy - Long Rain

Spring Benchmark Testing

AimswEBPlus is an online assessment, data management, and reporting system that provides national and local performance and growth norms for the screening and progress monitoring of math and reading skills for all students in Kindergarten through Grade 8.

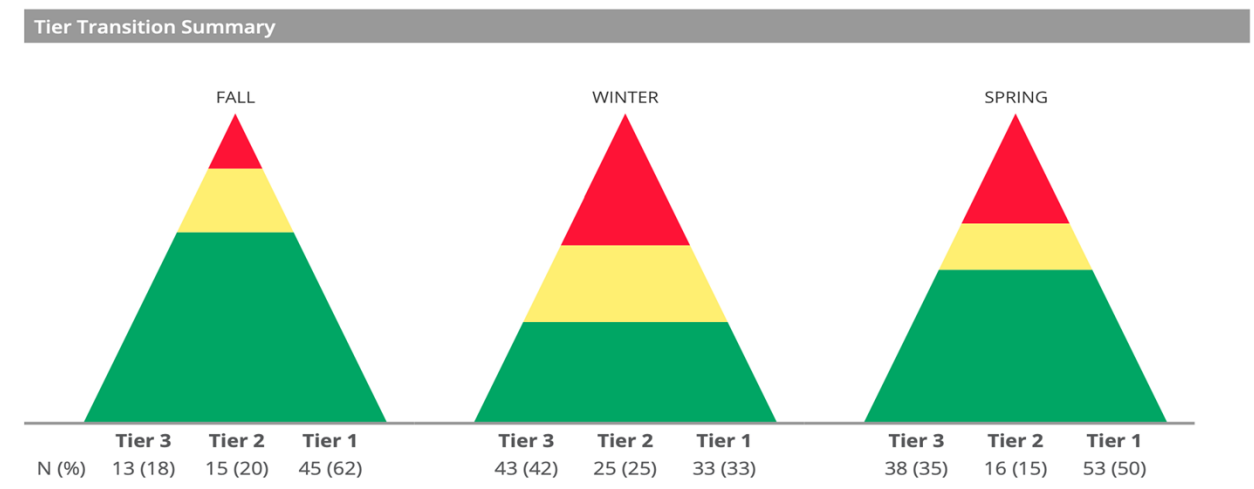

AimswEBPLUS spring benchmark testing took place at Browning Middle School on Monday, May 9th through Friday, May 13th with all three grade levels taking part in the testing. Makeup testing occurred the following week from May 16th to the 20th. Below are the Fall, Winter and Spring Benchmark testing data.

A huge thank you goes out to our instructional coaches, consultants, and most of all our teachers!

We are all proud of the gains our students made over this challenging time!

Our Family Literacy Night for May will be hosted by the BMS School Leadership Team and will be held on May 31st, 2022. During this time, we will be sharing our end of the year data (see above) with all stakeholders. Food boxes will be distributed in a drive-through format, and we invite you to join us that afternoon from 4:30p-5:30p!

Spring Sports

Browning Middle School offered the following sports to our students this spring: Golf, Track and Field, and Softball. We want to thank all of our coaches and student-athletes for their hard work this year. Here is a synopsis of those seasons according to their respective coaches.

BMS Track and Field 2022

Student of the Month:

6th grade: Dale Valandra
7th grade: Ethan Skunkcap
8th grade: Ryliegh Bullshoe

Parent of the Month:

Carla Medicine Elk
Brandy Cobell

From the Principal's Desk

The end of the school year is a time of review, reflection, and celebration. To me this is a time to reflect. The end of any academic year is always a time for reflection, but the end of this year brings much more than that. There has never been a year like this one and the past few weeks have certainly provided an opportunity for reflection, celebration, and for looking forward.

We have all been through so much over the past two years and it appears we may finally have turned a corner and are headed toward brighter, better than normal days ahead. As we rounded the corner into the final two weeks of school our students have proven over and over again that they can persevere. We aren't finished yet but I urge every guardian and student to review, reflect, and celebrate every accomplishment, challenge, and/or every spec of growth achieved this school year.

Happy summer to our incoming 6th graders, our 6th and 7th grade students moving up a grade in our building, and best of luck in Browning High School to our outgoing 8th grade students.

It is with both a sad and happy heart that we say goodbye to some amazing BMS staff. Each of these people have dedicated themselves to serving children in one capacity or another. We will miss them greatly as they each set their eyes on the wonderful word retirement. Everyone at BMS is wishing you all the best and we hope you come back to visit!

Julie Hayes - ELA - transfer to BHS - 33 years

Tracy Momberg-Instructional Coach - 34.5 years

Sunnie Bird - Blackfeet Junior Academy - 8 years

Regina Rink - 22 years

Sheila Rutherford -School Counselor - 21 years

Laura Monroe - Special Services - 27 years

Glenda Eagle Feathers - Supplemental Reading - 37.5 years

Larry Bear Medicine - Custodian - 41 years

Overall, that amounts to 224 ½ years of service and dedication to our students, staff, and buildings! Thank you for all of your hard work!

Have a great Summer!

William Huebsch

BMS Principal
