September 5, 2013

AGENDA ITEM: 9.1

TOPIC: APPROVE 2012-13 ANNUAL REPORT ON CURRICULUM,
INSTRUCTION AND STUDENT ACHIEVEMENT

BACKGROUND: Each year every Minnesota school district is required to prepare an Annual Report on Curriculum, Instruction and Student Achievement. The report reflects on the previous year and includes some information for the upcoming year as well.

PROCESS: Specific components of the report are required and appear annually in the report. The annual report needs to be approved by the district School Board by October 1 of each year. Once approved, administration recommends posting the report on the district web site and having print copies available upon request. This has been the practice for the past seven years. Previously, every resident was required to receive a print copy. The 2009 Legislature changed Minnesota Statutes section 120B.11 regarding this report and we are no longer required to submit this report directly to MDE.

A copy of this annual report will be available at the September 5, 2013 meeting.

RECOMMENDATION: Approval of the 2012-13 Annual Report on Curriculum, Instruction and Student Achievement
