RE: Security Command Center at The Fillmore Center, Tupelo, MS

Dear Dr. Loden:

The bid opening for the above-referenced project occurred on September 30, 2015. There was one qualified bidder possessing all required certifications for the project.

Southern Computer Systems, Inc. dba Cyber Technology Security, submitted a base bid of \$146,000.00. This bid indicated an alarm license number and advanced milestone certification number, as required in the Contract Documents.

It is my recommendation to award this project to Cyber Technology Security and begin construction as soon as possible.

If you have any questions or concerns, please feel free to give me a call.

Sincerely,
