To Whom it May Concern:

Granville National Bank reached out to us, Hometown National Bank, to see if we would be interested in taking on the role of Successor Trustee of the above-mentioned trust since they are getting out of the trust business. Your organization is the current beneficiary of said trusts that is now being administered by Hometown National Bank. Enclosed please find a Trustee's Notices for each trust, as well as a Customer Verification Form, Illinois W-9 form, Administrative Information form and Corporate Authorization Resolution. The Customer Verification Form needs to be completed by the individual(s) that we are to be in contact with within the organization. Please make additional copies should there be more than one individual we can take directions from. The W9 form needs to be completed with the information of the organization and signed by the appropriate person able to sign on behalf of said organization. The Administrative Information form is to be completed which gives direction on how statements are to be either mailed or through our online service Weblink. The Corporate Authorization Resolution also needs to be completed by those individuals that are authorized to sign and give us directions for said organization. Please complete all these forms and return them to us in the enclosed, self-addressed stamped envelope.
