

**GOVERNING BOARD AGENDA ITEM  
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

---

**DATE OF MEETING:**        **September 11, 2018**

**TITLE:**            **Recognition of Project Graduation Leaders and Committees**

---

**BACKGROUND:**

Project Graduation provides seniors at the district's high schools with a safe, sober way to celebrate their graduation on a night that is traditionally dangerous for young people. Teams of volunteers work together to plan these exciting events for each school.

These are not your average school celebrations. Project Graduation committees of parents, teachers and community members put together memorable events that feature activities such as dancing, carnival games, virtual reality gaming, laser tag and mock casinos. This is a truly once-in-a-lifetime night for our students.

The district would like to thank the many volunteers and committee members for providing these amazing Project Grad events for the Class of 2018, and the following committee leaders are presented to the Board as Project Graduation representatives for their respective schools.
