

DSD Board Handbook Update 2024

Proposed additions:

Conflicts of Interest

In January of each year, the legal counsel for DSD will facilitate the completion of Conflict-of-Interest Disclosure Forms for board members. These forms will be maintained and posted by the chief administrative officer, the Superintendent, according to the provisions of Utah HB80 from the 2024 legislative session.

Letters of Recommendation

DSD board members should refrain from writing letters of recommendation for positions within the district to avoid undue influence on personnel decisions.
