**Parkway Elementary School Canopy**

**Randy McCoy/Julie Hinds**

Parkway Elementary School PTO has allocated funds to purchase and install a canopy at the bus loading area. The canopy would be constructed to match the canopy installed at Lawhon Elementary School. Parkway PTO would like to partner with the district in this purchase by paying two-thirds of the cost and the district paying one-third. The estimated cost of the canopy is \$17,000.00. If approved by the Board, the balance of approximately \$5,700.00 would be paid from the district construction fund.
