

Board Report
Debbie Pfeifer
Federal Programs Director
December 2014

Final Budget Allocations

We have received our final budget allocations for the Federal Programs. We saw an increase of \$562 in Title IA, \$19 in Title IIA, \$104 in State LEP, and a decrease of \$1,428 in Title III.

Migrant Summer School

The SDE Migrant Program Coordinator, Mary Lou Wells, has again recommended that the Homedale and Marsing School Districts run a Migrant Summer School in Homedale for students of both districts. Last year we were awarded an additional \$44,633 in Migrant funds for the combined Migrant Summer School. We have been told we will be awarded additional funds for this upcoming summer school but do not yet know the amount.

Professional Development

Instructional days out of class for district-sponsored professional development

December 2013: 7 days

December 2014: 2 days

Planning has started for the January 16 full day in-service. For this professional development day we are relying on our in-house experts to provide support to teachers. We will have multiple workshop sessions presented by staff members, and teachers will choose which sessions to attend. We appreciate the willingness of our staff to share their best practices with others.
