SUBJECT: Update of Policy 4370 Graduation Requirements on a second read

Policy 4370 Graduation Requirements has been updated to comply with Utah State Board of Education graduation requirements. Section VII: Credit Evaluation Committee on pages 8-9 is a new section added to the policy that addresses how credits will be awarded at institutions not falling under the direct supervision of Weber School District. There have been no additional changes to the policy since the first reading. An update to this policy has been requested by the Curriculum, Student Services, and Legal Department. We are seeking Board approval of this policy on a second read.
