Back-to-School Highlights

Even with the chilly night, it was a hit!

We sold 291 tickets! Last year we sold out at 450 tickets, but with a chilly 60 degree night, it was still a blast with DJ Gator, crafts, raffles, pizza and pool fun.

Thanks to Melissa Wussow for putting together this wonderful event again this year!

Staff Appreciation

We welcomed teachers and staff back to school with stocked fridges and bagel breakfasts. Bus drivers and secretaries also received welcome back treats!

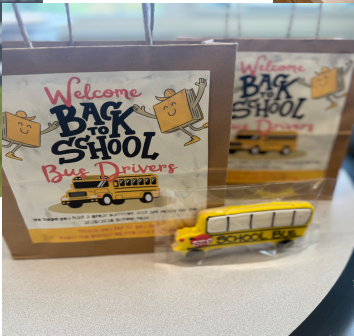

Thanks to our fantastic Teacher Appreciation Team - Mary Beth Marsh, Ashley Latta, Sylvia Baldwin & Holly Sommerhauser.

\$437 to Cal's Angels

PTO provided a Hydration Station at the Move for More event to raise money for pediatric cancer. We sold lemonade and popsicles and donated the proceeds to Cal's Angels.
