Course Credit/Acceleration Report

54.5 credits have been awarded since December 1, 2011 to various students for course work.

** Students are working on a self-paced schedule. This course completion may indicate one of several things: recovery of a lost credit, acceleration of credit(s) or completion of required course work for the current school year.

Districts Wallace Accelerated High is currently serving:

- Colorado ISD
- Sweetwater ISD
- Roscoe ISD—student(s) completed course work
- Blackwell ISD
