Thank you for your donation of the following described items:

Over 200 very gently used children's books to
the NES Library. Many are getting added to the collection
as I write this; I have also shared some with teachers
for classroom libraries. There were a few books that I,
or teachers, didn't use. Those I let kids choose from
to take home for their very own. All the books you gave
are getting into new hands and hearts.

In accordance with IRS documentation requirements, you have not received any goods or services from us in exchange for this donation. The District is not trained to be able to provide the value of the items donated. Valuation of the items donated is up to the donor.

Sincerely,

Kathy Kammer
