RE: Orchestra Room Additions and Renovations at George Ranch High School, Reading Junior High School, Fulshear High School, and Leaman Junior High School
Lamar Consolidated Independent School District
LCISD CSP Number: 12-2023FP
PBK Project Number: 220285

Dear Mr. McKeever,

On Tuesday, December 13, 2022, competitive sealed proposals were received in the District's Purchasing/Materials Management Warehouse for the Orchestra Room Additions and Renovations at George Ranch High School, Reading Junior High School, Fulshear High School, and Leaman Junior High School project. Five (5) offerors submitted proposals as requested. A summary of the proposal result is attached.

In full compliance with the requirements of the Texas Government Code Section 2269.253, the Selection Committee comprised of the Lamar CISD Bond Program Office and representatives from PBK evaluated the proposals against the published, adopted selection criteria. Based on a thorough review and analysis of the submitted proposals, Bass Construction received the highest ranking from the group and was deemed the best value for the District.

PBK, therefore, recommends to the Lamar Consolidated Independent School District's Board of Trustees the acceptance of the Selection Committee's recommendation to select Bass Construction as the contractor for the Orchestra Room Additions and Renovations at George Ranch High School, Reading Junior High School, Fulshear High School, and Leaman Junior High School project in the amount of \$6,927,000.00, which represents the Base Proposal minus post proposal negotiated cost savings.

Final Proposal Cost

\$6,927,000.00

Bass Construction is a Rosenberg, Texas based contractor that has successfully executed numerous construction projects for a host of school districts in the Texas Gulf Coast area including Lamar Consolidated ISD. Additionally, after discussions with their references, we feel they are well qualified to execute the requirements of the Contract.

We would like to express our sincere appreciation to you, Dr. Nivens, the District's administration staff and the Board of Trustees for the opportunity to be associated with this very important project.

We look forward to a successful partnership with the District and Bass Construction in the construction of this project for the Lamar Consolidated Independent School District.

Sincerely,

A handwritten signature in blue ink that reads 'Lorin Y. Pargoud'.
