"A College Preparatory Middle School"

November 20, 2008

To: WOCCISD Board of Trustees

I take this opportunity to inform the board that the WOS-Middle School received a contribution of twenty student backpacks filled with school supplies and a large box of supplies for our office usage. The contribution was made by the 2nd grade class at Beverly J. Martin Elementary School located at 302 West Buffalo Street, Ithaca, New York.

To refresh your memory, Mr. John Ward was the shelter manager from the American Red Cross who operated the shelter at the Middle School campus along with his number 204 team members; Joanna, Amanda, Jess, Dave, Sandy, and Mary. Mr. Ward's wife, Mrs. Marisoi Fontanez, is employed at Beverly J. Martin Elementary School along with Mrs. Millie Clark-Maynard, Mr. Dan Vatucci and Mrs. Samantha Little. These individuals were all instrumental in facilitating this project.

It is very encouraging to know that even though the country is in a financial crisis, the American Red Cross found a way to make this great contribution.

Yours truly,

Anitrea Goodwin
