

6th Grade Honorary Students:

Leighla Arey and Kellen Patkotak Jr.

Both of these students are responsible and turn in their assignments on time, always putting forth their best effort. Though they take pride in their academic work, they are humble and always willing to help others. They have an A+ Attitude in class and show cooperation and togetherness when working with their peers on group assignments. Both Leighla and Kellen are respectful to others and are kind to all those they come into contact with. They are a good example for their peers to follow. It is a pleasure having Leighla and Kellen in our classes.

Thank You on behalf of the 6th grade teachers-

8th grade girl: Arshan Bucatcat

Awesome attitude, kind to all of her peers, always does her work with a smile, strong work ethic, forward thinking

Boy: Matthew Pakotak
