

LIFERAFT

Sheridan School District

- ▶ LifeRaft is a location based social media monitoring program.
- ▶ Selects a Location (SHS, FCS)
- ▶ Monitors Public Social Media Posts – Not Private Posts
- ▶ Provides Real Time Information
- ▶ Searches for Keywords and Sends Information to Designated Official
- ▶ Used to Keep Public Facilities Safe

LIFERAFT

- ▶ This is legal per attorneys and court cases.
- ▶ We can intervene if the post is deemed a threat.
- ▶ WESD is offering the service this year through LifeRaft, several districts have been using it on a trial basis and it is going well.
- ▶ We are considering it and would like the boards input.
