

LIVONIA PUBLIC SCHOOLS

Sheila A. Alles, Chief Academic Officer Academic Services Department

DATE: January 6, 2016

TO: Andrea Oquist
 Superintendent

FROM: Sheila A. Alles

SUBJECT: Board of Education School Presentation

Each year several of our schools have an opportunity to present to our Board of Education their school improvement plans and efforts to maximize student learning. Due to the delay in the release of the 2015 M-STEP results, these presentations have been postponed until later this year. In the meantime, the principal of the Livonia Career Technical Center, Mr. Joe Anderson, is pleased to have an opportunity to present highlights of the LCTC and an overview of the programs available to students. Please consider adding this agenda item to the January 11, Board of Education, Curriculum Committee Meeting.

Thank you for your attention to this request.

C: Joe Anderson
