2021 -2022 DISTRICT WIDE PROPOSAL

DATE: June 14, 2021
TO: Alim Ansari – Superintendent of Schools
FROM: Yolanda Cantu – Dean of Instruction
SUBJECT: 2021 – 2022 District Wide Curriculum Initiatives

The **2021-2022** fiscal school year is fast approaching and HMPS Curriculum Department is planning to have in place a 3-year Academic Action Plan. Our schools' administration, faculty and students will need the resources and trainings to help close the academic gap. After the 1.5 years of virtual instruction during the pandemic our students' assessment data shows a decline in all core subject areas. We will need to serve all our students with intervention time, specific academic tools for special programs, elective instructional curriculum, and planning time for all grade level teachers during the school year.

Our students will benefit with extra curriculum activities where their academics will expand and accelerate. The following academic programs, trainings, extra-curriculum activities, planning time and teacher stipends will be part of our 3-year Academic Action Plan:

Region One Academic Services:

• Math and Science (Instructional Coaching)-*	Cost	\$ 87,000.00
• STEM Program (K-9 th grade)-*	Cost	\$ 80,200.00
• Engineering in Elementary Kits (K-6 th grade)-*	Cost	\$ 63,645.74
• Megabyte Services*	Cost	\$ 3,000.00
• TEKS Resource System	Cost	\$ 6,006.00
	Sub-Total	\$ 239,851.74

*ESSER Budget

2402 E. Business Hwy. 83 Weslaco, Texas 78596

Horizon Montessori does not discriminate against any member of its community on the basis of gender, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disabilities or handicap in educational programs or activities.

Horizon Montessori Public Schools

"Tomorrow's Education Today"

2402 E. Business Hwy. 83 Weslaco, Texas 78596

Academic Programs:

• SIRIUS Educational Solutions-*	Cost	\$ 9,100.00
• STEMScopes-*	Cost	\$ 93,479.19
• IXL Program-* **	Cost	\$ 57,899.00
• Mentoring Minds-*	Cost	\$ 62,678.72
• Renaissance-	Cost	\$ 71,227.31
• College Board Pre-AP Courses-	Cost	\$ 9,814.50
• Reading Academies (K-3 rd grade Teachers)-*	Cost	\$ 10,400.00
• Ellevations (Bilingual Program)-*	Cost	\$ 11,540.00
• Rosetta Stone (Bilingual/ESL Program)-*	Cost	\$ 13,200.00
• Why Try (Counselors Curriculum)-*	Cost	\$ 7,792.00
• TCM Summer School Curriculum (1 st -6 th grade)-*	Cost	\$ 6,682.50
• Benson Handwriting-*	Cost	\$ 11,528.16
	Sub-Total	\$ 365,341.38

Electives and P.E. Programs:

• Quaver Ed (Music Curriculum all grade levels)-	Cost	\$ 1,837.50
• Deep Space Sparkler (Art Curriculum K-6 th grade)-	Cost	\$ 1,520.00
• CATCH (K-5 th grade P.E. Curriculum)-	Cost	\$ 1,096.00
• SPARK (Middle School P.E. Curriculum)-	Cost	\$ 1,399.32
	Sub-Total	\$ 5,852.82

Athletic Programs:

• Texas Charter School Academic & Athletic League -	Cost	\$ 17,225.00
	Sub-Total	\$ 17,225.00

Parent Outreach Programs:

• Apptegy (App and Website Services)-	Cost	\$ 27,000.00
	Sub-Total	\$ 27,000.00

TOTAL \$ 655,270.94

*ESSER Budget
**3 YEAR CONTRACT

After the collaborative planning efforts of HMPS curriculum department, school administration and teachers using students' data. We have come to the conclusion that the above academic programs and strategies will provide the students and teachers with the adequate tools to close the academic gap due to the past 1.5 years of pandemic education.

Curriculum Items Summary

Region One Instructional Coaching:

Extended professional development for teachers customized to meet campus and teachers' instructional priorities. Based on needs assessment and collaborative goal setting, instructional coach will provide training sessions and/or demonstration teaching, conduct classroom observations and provide individualized feedback.

Region One – STEM Program:

Region One STEM Center agrees to provide Professional Development on Project Based Learning (PBL) for all grade levels teachers, Engineering in Elementary workshops, STEM TOT online course and PBL Starter Kit books for Elementary and Secondary

Engineering in Elementary Kits:

The Exploring the Efficacy of Engineering in Elementary (E4) project was a multi-year study funded by the National Science Foundation and administered by EiE's research and evaluation team. The study found that EiE improved learning outcomes for all kids regardless of demographic subgroup. Exploring the Efficacy of Engineering in Elementary frames all of our teaching and learning solutions and is the foundation of our professional development. With our recently published **E4 randomized controlled study results**, active ongoing pilots for curricula, and research-based best practices, our proven methodology and approach is continually validated with teachers, students, and parents—just like you.

Region One – Megabyte Services:

Megabyte is a cooperative service of Region One ESC that enables districts to: (1) provide comprehensive professional learning opportunities related to effective technology integration in the classroom, and (2) increased awareness of low- and no-cost software and training to enhance student learning.

TEKS Resource System:

The TCMPC provides content and support for an online curriculum management system known as the TEKS Resource System. The content includes curriculum components and sample unit assessment items aligned to the most current versions of the State Board of Education-adopted **TEKS** for the following subject areas:

- English Language Arts and Reading
- Spanish Language Arts and Reading
- Mathematics
- Science
- Social Studies
- Spanish translated versions of Mathematics, Science, and Social Studies

The TCMPC believes that teachers, working with parents and their communities, know how to best educate their students. Therefore, the TCMPC **does not** provide sample lessons.

2402 E. Business Hwy. 83 Weslaco, Texas 78596

Horizon Montessori Public Schools

"Tomorrow's Education Today"

2402 E. Business Hwy. 83 Weslaco, Texas 78596

SIRIUS Educational Solutions:

Sirius helps schools align their curriculum with how the TEKS are tested in STAAR exams. Each Sirius solution, whether in print or online, combines TEKS instruction with authentic STAAR practice. Students benefit from both instruction and practice, including how to approach and answer STAAR test items. Our Teacher's Editions provide full answer choice explanations or solutions so teachers can give students meaningful feedback about why one answer choice is best.

STEMScopes:

STEMscopes™ is a comprehensive suite of results-oriented STEM curriculum and professional development solutions used by more than 6 million students and 600,000 teachers across all 50 states. Created by educators for educators, STEMscopes is highly adaptable, affordable, and supports instruction in any kind of learning environment. STEMscopes was developed by Accelerate Learning Inc. in partnership with Rice University.

IXL Program:

At IXL Learning, we are passionate about improving learning for all. We apply technology in thoughtful and innovative ways to unlock students' innate curiosity, creativity, and desire for knowledge in Reading, Math, Science and Social Studies Subjects from K-8th grade.

Mentoring Minds:

ThinkUp! Math, Science, ELAR, and Writing.

ThinkUp! was designed to develop students who can process and evaluate information at deeper levels, make informed decisions, solve complex problems and find reasonable solutions—resulting in mastery of TEKS concepts and improved performance.

Renaissance:

Uniquely data-driven

We believe that important decisions should be informed by reliable and valid insights—especially when those decisions impact students, student outcomes, and achievement.

Our products are built on more than 2.8 billion real-world data points showing how students learn—and how they develop a deeper understanding of critical skills.

College Board Pre-AP Courses:

The Pre-AP Program is designed to give all students the opportunity to learn, grow, and succeed in the classroom and beyond. The Pre-AP Program is a program offered to schools by College Board. Pre-AP courses deliver grade-level appropriate instruction through focused course frameworks, instructional resources, classroom assessments for learning, and collaborative educator workshops. They are designed to support all students across varying levels of abilities. They are not honors or advanced courses. The Program components provide educators and their students the space and time for deep engagement with content. Participating schools receive an official Pre-AP designation for each course and the opportunity to bring engaging, meaningful, foundational coursework to all their students across varying levels of abilities. This designation signals consistent, high standards in focused courses that help build, strengthen, and reinforce students' content knowledge and critical thinking skills.

2402 E. Business Hwy. 83 Weslaco, Texas 78596

Horizon Montessori does not discriminate against any member of its community on the basis of gender, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disabilities or handicap in educational programs or activities.

Horizon Montessori Public Schools

"Tomorrow's Education Today"

2402 E. Business Hwy. 83 Weslaco, Texas 78596

Reading Academies (K-3rd grade Teachers):

Per House Bill 3 (HB 3), passed by the 86th Texas Legislature in June of 2019, all kindergarten through third grade teachers and principals must attend a "teacher literacy achievement academy" by the 2022 - 2023 school year. For simplification and to avoid confusion with other grant programs and past literacy achievement academies, the Texas Education Agency is referring to this latest requirement as the **HB 3 Reading Academies**.

All K-3 teachers, including special education teachers, and principals are required to complete the HB 3 Reading Academies by 2023. This includes literacy specialists who see K-3 students in small groups and K-3 departmentalized teachers. While there are some formal processes pending, districts (LEAs) can proceed to exempt teachers who hold "all-level certification in art, health education, music, physical education, speech communication and theatre arts, or theatre," as described in [§231.3\(a\)](#).

Ellevation (Bilingual Program):

Ellevation is a mission-driven company dedicated to helping English Learners (ELs) achieve their highest aspirations. We are an indispensable partner to school district administrators, teachers and students across the United States, who use our products to manage complex program requirements, build the capacity of teachers to serve multilingual learners, and empower students with the academic language necessary for success in school. Ellevation is the only EL program management solution that goes beyond compliance and impacts instruction in every classroom. We currently serve over 800 partner districts and support over 3 million students in nearly every state.

Rosetta Stone (Bilingual/ESL Program):

The Rosetta Stone solution provides the perfect opportunity for our learners to experience self-paced language learning and monitoring for success. Additionally, it allowed the integration of technology and capitalized on student interests.

Why Try:

WhyTry is an evidence-based social and emotional learning (SEL) program. WhyTry has proven to be a successful intervention tool in a variety of settings, populations, and age groups. Across multiple third-party studies, researchers have seen significant positive changes using WhyTry.

TCM:

Teacher Created Materials develops innovative and imaginative educational materials and services for students, worldwide. Everything we do is created *by teachers for teachers* and students to make teaching more effective and learning more fun.

Benson Handwriting:

Develop fluent, legible handwriting while practicing reading & language arts skills. For over 100 years, Benson Handwriting has helped students develop legible, fluent handwriting – a key to writing success. Each lesson combines consistent letter formation directions and teacher modeling with ELA activities – all in less than 15 minutes per day! Interactive whiteboard software, font software, scripted teacher modeling, QR code video tutorials, and differentiated activities all help ensure student success. *Benson Handwriting Escritura* provides instruction with linguistically appropriate Spanish-language content and activities along with comprehensive teaching support.

2402 E. Business Hwy. 83 Weslaco, Texas 78596

Horizon Montessori does not discriminate against any member of its community on the basis of gender, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disabilities or handicap in educational programs or activities.

Horizon Montessori Public Schools

"Tomorrow's Education Today"

2402 E. Business Hwy. 83 Weslaco, Texas 78596

Quaver Education (Music Curriculum):

Quaver Music not only encourages students to explore music, we also demonstrate how music enhances all other subjects areas taught in elementary school. Quaver has expanded its content to emphasize cross-curricular connections in math, science, history, literacy, geography, physical education, and English.

Deep Space Sparkler (Art Curriculum):

Sparkler curriculum offers a multitude of relevant trainings and organizational tools inside our art teacher membership. Deep Space Sparkle offers art lesson plans and teaching resources that will help you teach art to kids

CATCH (K-8th grade P.E. Curriculum):

CATCH stands for a Coordinated Approach to Child Health. By uniting multiple players in a child's life to create a community of health, CATCH is proven to prevent childhood obesity and supported by 25 years and 120 academic papers indicating as much as 11% decrease in overweight and obesity. Our community health programs aim to impact the messaging a child receives in physical education, the lunchroom, the classroom, and at home, to influence a child's choices not only in school, but lifelong.

SPARK (Middle School P.E. Curriculum):

Developed from Project M-SPAN (Middle School Physical Activity and Nutrition), the first study conducted with middle school students in these fields, SPARK curriculum has been proven successful year over year. The included 15 units allow instructors to choose topics and activities to complement their current unit or desired focus. Manual includes daily lessons presented in a prep, set, teach format with supporting materials, assessment tools, skill cards in English/Spanish, music, and access to online videos. Choose curriculum in a digital only format or in a combination with printed materials and online access.

Texas Charter School Academic & Athletic League:

The Texas Charter School Academic & Athletic League works to aid the individual growth of Texas' charter school students, through academic and athletic competition, to promote teamwork, a healthy lifestyle, and the constant pursuit for academic excellence. TCSAAL will develop and maintain annual sports leagues and academic competitions as a venue to showcase charter school students in Texas.

Apptegy:

A simple tool to define your identity. It brings everything you need for school marketing and school communications together into a single mobile app. Write a story once and send it across your website, mobile app, Facebook, Twitter, text messages, and voice calls. By making it easy to share stories, you can control the conversation around your brand.

The district will be able to monitor the usage of all these products. School Administration, Teachers and Students will be taken accountable in a monthly basis.

2402 E. Business Hwy. 83 Weslaco, Texas 78596

Horizon Montessori does not discriminate against any member of its community on the basis of gender, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disabilities or handicap in educational programs or activities.

Building Teachers' STEM Capacity Instructional Coaching 2021-2022

proposal prepared for
Horizon Montessori

Building Teachers' STEM Capacity Instructional Coaching 2021-2022

Extended professional development for teachers customized to meet campus and teachers' instructional priorities. Based on needs assessment and collaborative goal setting, instructional coach will provide training sessions and/or demonstration teaching, conduct classroom observations and provide individualized feedback.

Instructional Coaching Cycle

Benefits

- A significant level of personalized assistance to direct toward your campus math goals
- Multiple days of service provided by the same consultant to ensure consistency
- Instructional coach builds a partnership with campus staff to support campus improvement
- An objective review of current practices from an outside source
- Professional development embedded into the school day – limiting faculty absence from instruction

Expectations for Campus

Commitment

- Allow focused professional development and coaching to take place on the campus in the agreed upon timeframe.
- Facilitate access to classrooms and teachers for observation, coaching and professional development on scheduled days.

Confidentiality

- Respect conversations between teachers and coaches as confidential to foster culture of trust and transparency.

Communication

- Provide opportunities for instructional coach and campus leadership to collaboratively address instructional gaps.

<i>Instructional PD and Coaching Activities for HM1, HM2, HM3, and HM4</i>	# of days	Fee
• Administration consultation and planning	6 hrs	FREE
• Structured coaching to address teacher's goals and implementation of: 1. STEM Activities 2. Digital Tools 3. Formative Assessments 4. Descriptive Feedback	40	\$60,000
• Six Weeks Overview and Planning by Grade Level Bands 1. K-2 All campuses (6 days) 2. 3-5 All campuses (6 days) 3. 6-8 All campuses (6 days)	18	\$27,000
• Progress Overview to Administration per six weeks	6 hrs	FREE
Total	58	\$87,000

Dates: TBD

**PROPOSAL FOR
Horizon Montessori Public Schools**

2

The Region One ESC STEM Center agrees to provide the following professional development in partnership with Horizon Montessori Public Schools. In turn, Horizon Montessori Public Schools agrees to submit payment of \$74,700 to the Region One ESC STEM Center for services provided.

A summary of proposal items includes:

- Three-day PBL Academy for all staff
- Fourteen days of Engineering is Elementary workshops (2 modules for each grade level [K-6th])
- Six days of workshops aligned for middle school (2 modules for each grade level [7th - 9th])
- Registrations for STEM TOT Online Course (18 registrations)
- In-kind: PBLWorks PBL Starter Kit books for elementary and secondary

SERVICE DESCRIPTION	INVESTMENT
PBL Academy	\$9,500
<ul style="list-style-type: none"> ● \$1,500 per Specialist per day ● Up to 80 participants ● 2 Specialists ● 3 days – Hybrid delivery ● \$500 workshop materials 	Friday, September 24, 2021 Monday, January 3, 2022 Friday, March 4, 2022 8:30 AM – 4:00 PM TBD@ESC
Engineering is Elementary Trainings	\$28,000
<ul style="list-style-type: none"> ● \$1,500 per Specialist per day ● Up to 25 participants / module ● 1 Specialist / module ● 14 days – F2F delivery ● \$500 workshop materials / EiE module supplies / module ● 2 EiE modules / grade level (K - 6th) 	Dates TBD 8:30 AM – 4:00 PM TBD@ESC
Middle School Trainings	\$12,000
<ul style="list-style-type: none"> ● \$1,500 per Specialist per day ● Up to 25 participants / module ● 1 Specialist / module ● 6 days – F2F delivery ● \$500 workshop materials / module ● Aligned for 7th, 8th and 9th grade 	Dates TBD 8:30 AM – 4:00 PM TBD@ESC

Leverage incredible savings by participating in a cooperative arrangement

2021 -2022 MEGAbyte Services

WWW.ESC1.NET/MEGABYTE

MEGAbyte is a cooperative service of Region One ESC that enables you to: (1) provide comprehensive professional learning opportunities related to effective technology integration in your classroom, and (2) increased awareness of low- and no-cost software and training to enhance student learning.

Welcome!

Dear MEGabyte Partner,

Our Region One Education Service Center Instructional Technology Department would like to thank you for partnering with us in a cooperative agreement that afforded your district the opportunity to leverage incredible savings.

We continue to offer many great services for the 2021-2022 academic year including:

- Learning Resource Integration at both Edinburg and Brownsville locations,
- Onsite sessions (remote option available)
- Online courses and webinars,
- Trainings for Google Certified Educator Levels 1 and 2, Microsoft Innovative Educator, and Blended Learning Certifications,
- Technology and STEM conference experiences,
- MEGabyte Roadshow support for district led conferences (remote option available) and,
- Special topic workshops (EdTech Trends).

New this year:

- CoffeeEDU – hour-long remote open discussion led by an Instructional Technology Specialist around any education topic chosen by the participants (1 CPE)
- All Access Saturdays – three 2-hour seminars offered on a Saturday once a month on Instructional Technology and STEM topics delivered either face-to-face or remotely (6 CPE)

Please let us know if there is anything else we can do to support your district's vision in effective technology integration.

All the best,

Your Region One ESC
Instructional Technology Team

Mike, Karla, Sylvia, Gus, Demian, and Omar

MEGabyte Roadshow

The **MEGabyte Roadshow** provides services to enhance your district led conference experience.

Available to host at your conference:

- Eventzee Scavenger Hunt
- BreakoutEDU Escape Room
- Makerspace
- STEM Interactive Area
- Break-out session presentations

All services are available to be delivered in person and remotely.

Book your date today with our MEGacrew!

Previous Year's Participating Districts:

- Brownsville ISD
- Harlingen CISD
- Lyford CISD
- McAllen ISD
- Mission CISD
- Raymondville ISD

- Up to 3 services guaranteed
- Required 8-week advanced notice
- Specialist based on availability
- Services will fulfill onsite day allocation

LETTER OF AGREEMENT FOR HORIZON MONTESSORI PUBLIC SCHOOLS CUSTOMIZED PROFESSIONAL DEVELOPMENT

The Region One ESC Instructional Technology Department agrees to provide **HORIZON MONTESSORI PUBLIC SCHOOLS** with MEGabyte services and **HORIZON MONTESSORI PUBLIC SCHOOLS** in turn agrees to pay **\$3,000** to the Instructional Technology Department for the services described below.

Megabyte Services will include the following:	
PROFESSIONAL DEVELOPMENT	
Workshops–LRI Sessions at Region One ESC and Brownsville (unlimited access)	September 1, 2021 – August 31, 2022
Onsite Training Days: •2 ONSITE DAYS• days (remote option available)	September 1, 2021 – August 31, 2022
All Access Saturdays (virtual workshops)	September 1, 2021 – August 31, 2022
Online Courses (selected courses) and Webinars	Fall / Spring / Summer
CERTIFICATION OPPORTUNITIES	
Google Certified Educator Level 1 & Level 2 Bootcamp & Exam	Fall / Spring / Summer
Microsoft Innovative Educator Certification Academy	Fall / Spring / Summer
Blended Learning Certification (based on district size)	Fall / Spring / Summer
CONFERENCES	
Using Technology to Make a Difference Conference #UTECHMDC21 (Free)	Fall 2021
STEM Summit 2022 #STEMSummit22 (Free)	Spring 2022
Student by Student Technology & Leadership Conference #SbySTech22 (50% off Student Registration Fee)	Spring 2022
Region One ESC Technology Conference (Free)	Spring 2022
EDTECH TRENDS & UPDATES	
Instructional Technology YouTube Channel	Varied
MEGabyte Roadshow (remote option available)	By Request / Upon Availability
CoffeeEDU (delivered remotely - limited seating)	Varied
Special Topic Workshops (limited seating)	By Invitation Only
Register for MEGabyte workshops by typing MEGABYTE on the Purchase Order section	

Contact: Yolanda Cantu, District Dean of Instruction
 Phone: (956) 969-3092 E-mail: Yolanda.cantu@hmps.net

In the event of the registration cancellation by an individual participant, substitutions may be made. Minimum fees are based on a per session basis.

To whom it may concern:

This letter confirms that the TCMPC TEKS Resource System, including all online content and technology, is a sole source product. The online curriculum, assessment items, resources, and technology platform are created and distributed exclusively by the TCMPC TEKS Resource System.

The TCMPC TEKS Resource System maintains all copyright privileges for its content. There are no agents or dealers authorized to represent these products and no division of the "TCMPC TEKS Resource System" has any right of sub-license to make a similar or competing product. Because the content is copyright protected, competition is precluded for this product and there are no competitive products on the market.

The TCMPC TEKS Resource System provides content and support for an online curriculum management system. The content includes curriculum components, assessment items, and resources aligned to the most current versions of the State Board of Education-adopted standards (TEKS).

The TCMPC TEKS Resource System warrants that no other items or products are available for purchase that would serve the same purpose or function and there is only one pricing structure for the above-named product because of exclusive distribution and marketing rights.

If you desire additional information, please submit comments, questions, or concerns to info@tcmpc.org.

Sincerely,

A handwritten signature in black ink that reads "Ann Graves".

Ann Graves
Director, TCMPC TEKS Resource System

What is the TCMPC?

The Texas Curriculum Management Program Cooperative (TCMPC) is a shared service agreement between the twenty Texas Education Service Centers (ESCs). Through the agreement, participating ESCs share responsibility for the content, management, and operations of the online curriculum management system known as the TEKS Resource System (TRS).

Through a combined effort by ESCs, thousands of schools improve student performance and operate more efficiently and cost-effectively. TRS is used in every region of the state.

The TCMPC is dedicated to helping schools maximize resources to advance students' academic success. By providing schools a resource aligned with what the state of Texas has determined students are expected to learn (TEKS), teachers can spend more time focusing on students and improving the learning environment in schools.

Region One ESC is a member of the TCMPC and offers TRS and additional support services to help area districts maximize student success while saving time and money.

"A critical first step in assuring increased student performance and learning within a school system is to have a quality, centrally designed curriculum, such as the TEKS Resource System, that defines the continuum of learning in every core content."

TASA 2016 Audit Report, p. 107

What is the TEKS Resource System?

The TEKS Resource System (TRS) content includes curriculum components, unit assessment items, and content area resources aligned to the most current version of the State Board of Education-adopted Texas Essential Knowledge and Skills (TEKS) for the following subject areas:

- ⇒ English Language Arts and Reading (K-12)
- ⇒ Spanish Language Arts and Reading (K-6)
- ⇒ Mathematics (K-12)
- ⇒ Science (K-12)
- ⇒ Social Studies (K-12)
- ⇒ Spanish translated versions of Mathematics, Science, and Social Studies (K-5).

The TRS also contains an assessment center. More specificity about TRS content and functionality is found in the Component Chart at right.

A Guaranteed and Viable Curriculum

The TRS transforms the TEKS into a meaningful curriculum that defines understandings and expectations. This provides teachers a common foundation and starting point for the instructional planning process.

Teachers and Administrators

- ⇒ Can address student learning with an evidence-based curriculum that reflects the most current information approved by the SBOE and administered by the Texas Education Agency.
- ⇒ Have access to a curriculum system that is designed to be used alongside district-approved instructional resources
- ⇒ Can spend more time focusing on students' needs.

Easy-to-Use Software/ Resources

The TRS is easy to access and navigate and has many resources to help parents and districts maximize their use of the system. Once logged in, users may select components and subcomponents at-a-glance from folder tabs. Components include: **Standards, Parent Resources, District Resources, and District Tools**. Help features are embedded within the system and teachers may easily tailor components to meet individual student needs.

Service Options

OPTION 1-TRS Foundation Teaching & Learning Tools

- Instructional Planning Tools**
 - Instructional Focus Document
 - TEKS Verification Document
 - Vertical Alignment Documents
 - Year-at-a-Glance
 - Enhanced TEKS Clarification
 - TEKS Clarification Document
- Assessment Creator**
 - Unit Assessments
 - Formative Spiral Items
- Instructional Resource Tools**
 - Backward Design
 - STEM Questions
 - Concept Charts
 - STAAR Analysis
 - Performance Assessments
 - Long-Term Transfer Goals

Online Delivery System
Technical Support
Professional Development- TRS 101 New User Training

OPTION 2* -TRS + Ongoing Professional Development + the Effective Educators Conference.

Option 2 includes all items listed for Option 1 PLUS access to the Effective Educators Conference, and ongoing professional development.

*This "best value" option is ideal for customizing TRS to exactly meet your students' unique learning needs.

Custom Workshops Where YOU Want Them!

TRS Customers best implement the system when stakeholders receive training and support across the school year. You may register for workshops at a Region One ESC location by going to: <http://www.esc1.net/staff-development> OR contact us to deliver custom workshops at a location of your choosing!

Customer Feedback

"TEKS resource system is a must have when planning and instruction as well for assessment. Also used for assessing daily, weekly, and end of unit as well for STAAR remediation by using TEKS clusters."

"TEKS resource system planning has helped me become more organized and focused in my planning and instruction. I am able to think out of the box as I plan activities and hands on learning for my students, with the END in mind"

"The TEKS Resource System has been my blue print to plan, adjust and develop great mastery sessions. The TEKS Resource System is essential for my development on Lesson Planning and instruction."

"It's allowed me to plan accordingly and align instruction to the TEKS more strategically. Student comprehension of content has increased."

"It's made simple. Everything at your fingertips."

Fully Implement TRS!

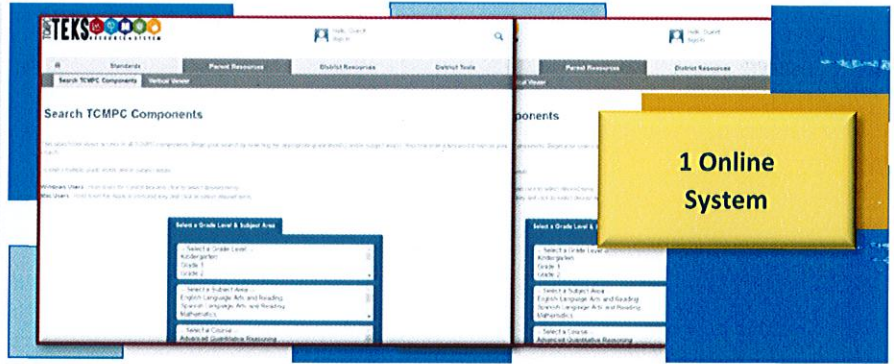

Option 2 consists of comprehensive services to support excellence in teaching and learning.

Included are access to the TEKS Resource System (TRS), access to the Effective Educators Leading Success Conference, ongoing professional development, plus an array of new user navigation (101) workshops to support educators at all levels.

The TRS system delivers a framework for grades K-12 in all foundation academic subject areas aligned to the TEKS. Coupled with the professional development offerings in Option 2, you can rest assured your investment in TRS is well made and teachers are supported

We highly recommend you identify a cohort of educators to attend the ongoing sessions who can further assist the district and campus with replication of best practice and implementation of TRS use.

All training sessions are held virtually or face to face at the Region One ESC in Edinburg. Workshop registration is on a first-come, first-served basis and additional sessions can be added when demand warrants.

Partnership Proposal

For

Horizon Montessori Public Schools

Presented by:

Yoliette Fournier
Account Executive
Sirius Education Solutions
06/03/2021

Introduction

Section 1 – Goals and Challenges Identified

Section 2 – Difficulties Achieving Goals and Addressing Challenges

Section 3 – Sirius Education Solutions Background and Recommendations

Section 4 – Specific Goals and Effectiveness Measures

Section 5 – Implementation Plan

Section 6 – Pricing

Section 7 – System/Technical Requirements & Integration Support

Section 8 – Student Privacy & Data Security

Introduction

This partnership proposal for implementation of Sirius Education Solutions online is based on our discussions with Horizon Montessori Public Schools. We appreciate the opportunity to work with you and your staff to help achieve your academic goals and address some of the challenges that may be standing in the way of your success.

Section 1 – Goals and Challenges Identified by Horizon Montessori Public Schools

The Covid-19 pandemic has forced schools to deal with unanticipated problems. In our discussions with your staff, the following were identified as the most challenging of these:

Increased Learning Gaps Within Student Population – While Horizon Montessori Public Schools have made significant efforts to provide remote instruction opportunities during this time, there are many students who have not engaged with the lessons. Therefore, some of the normal gaps that occur have increased significantly.

- Students need to experience authentic practice with the STAAR Online platform previous to taking the tests in order to be familiar with the tools and accommodations.
- Now that most students have their own devices, schools are seeking better online programs to teach and learn through.
- There will be an ongoing need to adopt an online solution that will ensure ongoing success and validate the use of technology in a hybrid or traditional classroom scenario.

Teachers need ongoing training in the best practices of online instruction

Section 2 – Difficulties Achieving Goals and Addressing Challenges

As we reviewed the above Goals and Challenges, we identified some of the underlying causes related to them.

- Difficulty addressing students' different needs and learning styles
- Significant learning loss due to COVID closures
- Increased number of new teachers

Section 3 – Sirius Education Solutions Background and Recommendations

Sirius Education Solutions is a Texas-based company of former educators who know how important STAAR test results are to students, teachers, schools, and districts.

Our staff includes teachers and professional content and test-item writing experts who have managed and written high-stakes tests. At Sirius, we take enormous pride in creating innovative and effective test preparation solutions designed to provide enduring success for Texas educators and students.

Based on discussions with your staff, we are recommending the Sirius Online District-Wide Package. This comprehensive package provides online access for all students and teachers and contains the following tested TEKS materials:

Grades 3 - 5	Grades 6 - 8	EOC
Grade 3 Math	Grade 6 Math	Algebra 1
Grade 3 Reading ZINGERS	Grade 6 Reading	Biology
Grade 4 Math	Grade 7 Math	English 1
Grade 4 Reading ZINGERS	Grade 7 Reading	English 2
Grade 5 Math	Grade 7 Writing	U.S. History
Grade 5 Reading ZINGERS	Grade 8 Math	
Grade 5 Science	Grade 8 Reading	
	Grade 8 Science	
	Grade 8 Social Studies	
	Algebra 1	

Section 4 – Specific Goals and Effectiveness Measures

With any acquisition of instructional materials, it is important to measure effectiveness. Your staff has identified the following key metrics for evaluating success:

- Improve accountability rating from B to A in the next school year
- Based on 2019 ratings, increase the total percentage of students in 6th Grade Reading rated "Approaches" from 66% to 80% "Meet Requirements" rating in the next school year.

Responsibilities for Achieving Goals

Sirius Education Solution Responsibilities

Ensure all online materials are available for student and teacher access 24/7

Provide instruction to teachers and administrators on:

- how to access and set up classes
- how to assign materials to students
- recommendations for the effective use of the materials
- how to monitor progress and reporting
- follow-up sessions to monitor success and address questions

Ensure that all materials are correct and any noted errors are corrected in a timely manner

Technical System Integration Assistance and Customer Support

- SIRIUS Online partners with your district IT team to find the best approach to integrate our application with your existing systems. Post launch, we continue to provide personalized support to address your district and faculty questions through phone and email support Monday – Friday 7 am – 6 pm CT. We continue this ongoing relationship with your team through our Sirius Online Knowledge Base which offers written and video instruction, FAQs and the ability to submit a support ticket to our team for a quick response within 24 business hours.

Horizon Montessori Public Schools Responsibilities

Provide contact information for those district personnel responsible for system integration and rostering (based on your integration needs).

Provide contact information for school personnel responsible for implementation and rostering.

Monitor that teachers implement the Sirius Education Solutions as recommended by Sirius

Ensure that teachers and students have access to the materials

Establish links to district technology for rostering and reporting

Notify Sirius of any problems with consistent implementation

When both Sirius and Horizon Montessori Public Schools live up to their respective responsibilities, success will follow.

Section 5 – Implementation Plan

In consultation with your staff, we have agreed on the following plan for implementation:

Milestone	Date	Status
Initial meeting to discuss concerns and objectives	June 2021	
Discussions with teachers/staff/etc.	June 2021	
Documents Presented for Review and Approval - Legal – Terms of Use and Privacy Policy - Technical – Rostering and IT Environment - Purchasing – Confirm Requirements	June 2021	
Pre-proposal Review	June 2021	
Final Proposal Delivered	June 2021	
Approval	June 2021	
P.O Received	July 2021	
Documents Completed	July 2021	
System Integration Discussion and Plan	July 2021	
Materials Delivered	July 2021	
Initial Teacher Inservice	August 2021	
Progress Review	July 2021	

Section 6– Pricing for Horizon Montessori Public Schools

Horizon Montessori Public Schools has indicated that they may use one of the following funding sources to pay for this order:

Buy Board: 573-18 Inst Materials & Classroom Teaching Supplies and Equip (10/31/2021)

Section 7– System/Technical Requirements & Integration Support

IMPORTANT – Please review the [Sirius Getting Started Guide](#)

System/Technical Requirements

The Sirius Online STAAR Preparation and Practice product is an online (web-based) product that can be used on a variety of devices and operating systems, although a modern computer with a Chrome browser is highly recommended.

System Requirements - Devices

Sirius Online STAAR Preparation and Practice can be used on the following devices:

- Computers using Windows 10 or higher or the Mac operating system (OS)
- Chromebooks
- Tablets (iOS or Android) with a display of 7.5” or greater, including iPads

System Requirements – Supported Browsers:

For optimal performance while using SIRIUS ONLINE STAAR Test Preparation and Practice, we recommend utilizing current versions of the following supported browsers:

- Google Chrome (latest or recent version)
- Firefox (latest or recent version)
- Safari 10 or 11 or higher

System Requirements - Additional Requirements:

- JavaScript enabled
- PDF view application – Adobe Reader 10 or greater
- Cookies enabled

Additional Recommendations for Optimal Performance:

- Add *.content2classroom.com *.amazonaws.com to your whitelist

Integration Support

To ensure that you are able to get access to our Sirius Online STAAR Preparation and Practice product, Sirius currently supports single sign-on (SSO) and rostering from a wide variety of learning management systems (LMSs) and applications that your school or district may already be using, including:

Platform	SSO	Rostering
Clever	YES	YES
Classlink	YES	YES
One Roster	YES	YES
Other Rostering Solutions	Assessment necessary to make determination	Assessment necessary to make determination

The Sirius Online STAAR Preparation and Practice is an LTI-compliant product, therefore, it can often be integrated with other LTI-compliant platforms and applications, in addition to those listed above.

If you are using another LTI-compliant platform or application and would like to use single sign-on (SSO) or automated rostering with our product we will assess your current set up to provide the best working solution.

If you are seeking content integration with an existing LMS, our technical team will work with your team to determine whether a successful integration is possible at this time to meet your instructional and technical requirements. In some cases, self-registration may be the best alternative to ensure expeditious access to our eLearning platform so students and faculty can get to work.

Section 8– Student Privacy & Data Security

Student & Teacher Privacy

At Sirius, we take the privacy of students and teachers seriously.

Our privacy policy and practices adhere to the guideline specified in The Children’s Online Privacy Protection Act (COPPA), and we have adopted the K-12 Student Privacy Pledge from The Future of Privacy Forum (FPF) and The Software Industry Association (SIIA). We collect only the minimum information needed to give students and teachers access to our online product and its features. We do not collect or use students’ or teachers’ information for any purposes other than to operate and maintain the Sirius Online STAAR Preparation and Practice product, this includes not using or selling personal information for marketing purposes. We have also provided an appendix to this proposal which provides an overview of Sirius’ Privacy Policy & Terms of Use as well as links to our complete policies.

Data Security

Sirius Education Solutions provides a high level of security to our education partners. Sirius Online STAAR Preparation and Practice is hosted in the AWS cloud behind 2-factor authentication and uses industry standard best practices for security and the protection of your data. Our policies and practices are HIPPA and FERPA compliant.

SIRIUS EDUCATION SOLUTIONS Privacy Policy

We want to welcome Horizon Montessori Public Schools to SIRIUS ONLINE STARR Preparation and Practice, an online learning product offered by SIRIUS Education Solutions.

To use the SIRIUS ONLINE STARR Preparation and Practice online learning product, your school or school district is required to consent to the collection, use and disclosure of information from children (students) in your school/district as described below. SIRIUS Education Solutions and its affiliates or vendors will not collect, use, or disclose any personal information from children (students) at your school if you do not provide consent.

Without your consent, your students will not be able to use the SIRIUS ONLINE STARR Preparation and Practice online learning product.

CUSTOMER LICENSE TERMS AND CONDITIONS

These Customer License Terms and Conditions (these "Terms") are a legally binding agreement between Accelerate Learning, Inc. d/b/a STEMscopes ("ALI") and the customer ("Customer") entering into an order (the "Order") that references these Terms. In the event of any conflict between these Terms and the terms and conditions elsewhere in the Order, these Terms will supersede and govern as between ALI and Customer.

License and Permitted Use: Subject to Customer's continued compliance with these Terms and the Order, ALI grants Customer a nonexclusive, nontransferable, and nonassignable license during the term of the relevant order to use (and grants Customer's authorized students access to use) the digital, print, and hands-on platforms and materials provided by ALI or its designated distributor (collectively, the "STEMscopes Content") solely for its internal educational purposes. Customer is responsible for its and its employees', contractors', and users' compliance with these Terms. Customer may not directly or indirectly (a) sell, resell, sublicense, disclose, assign, transfer, or otherwise make the STEMscopes Content available to any third party other than its authorized users; (b) access or use the STEMscopes Content for any purpose other than its internal educational purposes; (c) decompile, reverse engineer, reverse assemble, or otherwise attempt to discover any source code of the STEMscopes Content; (d) copy, mirror, frame, modify, or create derivative works based on the STEMscopes Content; or (e) transmit any viruses, malware, or other malicious code using the STEMscopes Content or otherwise interfere with, disrupt the integrity or performance of, or attempt to gain unauthorized access to the STEMscopes Content or any related systems or networks.

Ownership: The STEMscopes Content is licensed, not sold, to Customer. As between Customer and ALI, ALI retains all rights, title, and interest in and to the STEMscopes Content and any translations or other derivative works based thereon, including any corresponding copyrights, trademarks, trade secrets, and other intellectual property rights. Nothing herein will be deemed to convey any rights, title, or interest in any such rights to Customer. Periodically, the STEMscopes program is enhanced, improved, and made current against changes in science, customer feedback, or changes in specific state standards. Additionally, 3rd party content may be replaced to improve and keep current/relevant as needed throughout the term of the agreement.

Product Returns/Exchanges: There are no refunds or cancellations for online products. Print or kit materials damaged upon delivery may be returned for replacement by ALI's distributor.

User Information: ALI reserves the right to collect and store all user information for district reporting. ALI may aggregate or otherwise de-identify user information such that it cannot be used to identify any individual ("Aggregated Data"). ALI may retain, use, and disclose such Aggregated Data for any reason and to any third parties whatsoever.

Liability and Disclaimer: ALI PROVIDES THE STEMSCOPES CONTENT ON AN "AS IS" AND "AS AVAILABLE" BASIS WITHOUT ANY WARRANTIES (EXPRESS, IMPLIED, OR STATUTORY), INCLUDING WITHOUT LIMITATION, ANY WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, TITLE, OR NON-INFRINGEMENT. ALI DOES NOT GUARANTEE THAT THE STEMSCOPES CONTENT WILL BE UNINTERRUPTED, CONTINUOUSLY AVAILABLE, ACCURATE, COMPLETE, OR ERROR-FREE. ALI IS NOT RESPONSIBLE FOR THE ACTS OR OMISSIONS OF ANY THIRD PARTIES. IN NO EVENT WILL ALI BE LIABLE FOR (A) ANY CONSEQUENTIAL, INDIRECT, PUNITIVE, EXEMPLARY, SPECIAL, OR INDIRECT DAMAGES, EVEN IF WARNED OF THE POSSIBILITY THEREOF; OR (B) ANY AGGREGATE AMOUNT EXCEEDING THE AMOUNTS PAID BY CUSTOMER TO ALI (DIRECTLY OR INDIRECTLY) FOR THE STEMSCOPES CONTENT IN THE PRIOR SIX (6) MONTHS, IF ANY.

Term: Customer's license under these Terms will terminate upon the expiration of the applicable Order. In addition, ALI may terminate Customer's license or suspend Customer's access to the STEMscopes Content (in whole or in part) if Customer or its employees, contractors, or users materially breach any of these Terms.

Payment Terms: Payment is due net 30 days after receipt of invoice.

Freight Charges: Standard freight charge is 8% of the price of the print or kit product purchased. There are no freight charges for online products.

Sales Tax: All orders are subject to applicable sales tax.

Thank you for the opportunity to provide this quote. For ThinkUp! Digital and Bundle purchases, your digital license will be applicable for current school year beginning 8/1 and ending 6/30. Itematica and Mobile App licenses are one full year/365-day access from purchase date. Please note that bulk pricing discounts will be based upon the final quantity of materials ordered. If you adjust quantities on this or any other quotes which contribute to the bulk rate reflected here, please contact us for updated pricing. After we receive and confirm your purchase order, our Customer Service team will send confirmation emails regarding the status of your order. To view our terms and conditions, please visit support.mentoringminds.com for more details. For questions or updates to your quote, please contact 1-800-585-5258.

I look forward to hearing from you.

At Mentoring Minds, we stand behind our products. If you are ever dissatisfied with our products or service, please contact Customer Service so we can make it right.

Thank you for the opportunity to provide this quote. For ThinkUp! Digital and Bundle purchases, your digital license will be applicable for current school year beginning 8/1 and ending 6/30. Itematica and Mobile App licenses are one full year/365-day access from purchase date. Please note that bulk pricing discounts will be based upon the final quantity of materials ordered. If you adjust quantities on this or any other quotes which contribute to the bulk rate reflected here, please contact us for updated pricing. After we receive and confirm your purchase order, our Customer Service team will send confirmation emails regarding the status of your order. To view our terms and conditions, please visit support.mentoringminds.com for more details. For questions or updates to your quote, please contact 1-800-585-5258.

I look forward to hearing from you.

This quote is valid until 11/30/2021. All quotes and orders are subject to availability of merchandise. Professional development expires one year from purchase date. Alterations to this quote will not be honored without Renaissance approval. Please note: Any pricing or discount indicated is subject to change with alterations to the quote. Tax has been estimated and is subject to change without notice. Unless you provide Renaissance with a valid and correct tax exemption certificate applicable to your purchase of product and the product ship-to location, you are responsible for sales and other taxes associated with this order.

United States government and agency transactions into Arizona: The Tax or AZ-TPT item(s) listed on this quote and subsequent invoice(s) is a charge to recover the cost of the Arizona Transaction Privilege Tax (TPT). The incidence of the TPT is on Renaissance Learning for the privilege of conducting business in the State of Arizona. Since the tax is not directly imposed on the United States, the constitutional immunity of the United States does not apply.

Hawaii residents only: Orders shipped to Hawaii residents will be subject to the 4.166% (4.712% O'ahu Is.) Hawaii General Excise tax. United States government and agency transactions into Hawaii: The Tax or General Excise Tax item(s) listed on this quote and subsequent invoice(s) is a charge to recover the cost of the Hawaii General Excise Tax. The incidence of the General Excise Tax is on Renaissance Learning for the privilege of conducting business in the State of Hawaii. Since the tax is not directly imposed on the United States, the constitutional immunity of the United States does not apply.

New Mexico residents only: Orders shipped to New Mexico residents will be subject to the 5.125% (Location Code: 88-888) Gross Receipts tax. United States government and agency transactions into New Mexico: The Tax or Gross Receipts Tax item(s) listed on this quote and subsequent invoice(s) is a charge to recover the cost of the New Mexico Gross Receipts Tax. The incidence of the Gross Receipts Tax is on Renaissance Learning for the privilege of conducting business in the State of New Mexico. Since the tax is not directly imposed on the United States, the constitutional immunity of the United States does not apply.

Students can become their most amazing selves — only when teachers truly shine. Renaissance amplifies teachers' effectiveness in the classroom — transforming data into actionable insights to improve learning outcomes. Remember, we're here to ensure your successful implementation. Please allow 30-90 days for installation and set-up.

10/1/2020: \$9,500.00

Exhibit A

1 **Definitions.**

1.1 The "**Platform**" is Ellevation's proprietary, Internet-delivered SaaS platform of servers, software and related technology that is hosted, served or managed by Ellevation or Ellevation's third-party service provider, and furnished to Customer under this Agreement. The Platform provides for the ability for Customer to: (1) utilize Ellevation's proprietary data management system for English Language Learners or "ELLs"; (2) access reporting tools related to the productivity and performance of Customer's ELLs; and (3) utilize instructional content for Customer's ELLs.

1.2 "**Customer User**" shall mean any of Customer's authorized users of the Platform.

2 **Services.** Ellevation agrees to deliver the software and perform the services described in any Statement of Work ("SOW") which may be issued hereunder from time to time, and any such SOW are incorporated into this Agreement by reference (the "**Services**").

3 **Fees and Payment.** Customer will pay the Subscription Fees and any related fees, as applicable, as set forth in Customer's Subscription Agreement. All invoices are payable within thirty (30) calendar days following receipt by Customer. Past due amounts are subject a late payment charge, until paid, at the rate of One and a Half Percent (1.5%) per month or the maximum amount permitted by law, whichever is less.

4 **Term and Renewal**

4.1 **Subscription Terms.** The term of this Agreement shall be for an initial term of twelve (12) months commencing on the Effective Date of this Agreement unless otherwise expressly stated in the Agreement ("the "Initial Subscription Term"). Following expiration of the Initial Subscription Term, Customer's subscription will automatically renew for successive twelve (12) month renewal terms (each a "**Renewal Term**") unless either party provides written notice of non-renewal at least thirty (30) calendar days prior to the expiration of the Initial Subscription Term or any subsequent Renewal Term. The Initial Subscription Term and Renewal Term(s) shall be collectively referred to herein as "Term." Ellevation may raise the Subscription Fees any time after the expiration of the Initial Subscription Term with such increases effective thirty (30) days following advance written notice to Customer

4.2 **Services and Training Terms.** All training and services must be scheduled and conducted by the later of either 12 months from the purchase date or the current contract end date.

5 **License Grant**

5.1 **Customer Users** Ellevation will provide user account(s) for the number of authorized Customer's Users.

5.2 **Permitted Use** During the Term of this Agreement, Ellevation hereby grants Customer a worldwide, non-exclusive, non-transferable right to access, use the features and functionality of the Platform solely for Customer's educational purposes, subject to the terms and conditions of this Agreement. All rights not granted in this Agreement are reserved by Ellevation.

5.3 **Prohibited Use** Customer will not (and will ensure that Customer Users do not): (a) use the Platform other than in compliance with this Agreement and applicable federal, state, and local laws; (b) "frame," distribute, resell, or permit access to the Platform by any unauthorized third party; (c) interfere with the Platform or disrupt any other user's access to the Platform; (d) attempt to gain unauthorized access to the Platform, or attempt to discover the underlying source code or structure of the Platform, or otherwise reverse engineer the Platform; (f) submit to the Platform any content or data that is: false, misleading, defamatory, threatening, or which could otherwise constitute hate speech; infringing of intellectual property rights; reasonably deemed to involve moral turpitude or that contains mass mailings or any form of "spam"; (g) submit to the Platform any routine, device or other undisclosed feature, including a so-called time bomb, virus, software lock, drop dead device, malicious logic, worm, Trojan horse or trap or back door or software routine, that is designed to delete, disable, deactivate, interfere with or otherwise harm any software, program, data, device, system or service, or which is intended to provide unauthorized access or to produce unauthorized modifications; or (h) use any robot, spider, data scraping or extraction tool or similar mechanism with respect to the Platform.

Customer must also ensure that: (a) it provides true, accurate, current and complete information to create and maintain accounts; (b) neither Customer nor any Customer User circumvents or otherwise interferes with any user authentication or security used by Ellevation; (c) Customer Users maintain the confidentiality of their usernames and passwords; and (d) that neither Customer nor any Customer User will impersonate another user of the Platform or provide false identity information to gain access to or use the Platform.

6 **Ownership and Rights**

6.1 **Ownership of Customer Content.** Customer retains all right, title and interest in: (i) any data, files, attachments, text, images, and other content that Customer or a Customer User uploads or submits to the Platform under this Agreement; and (ii) any reports produced by Customer in connection with use of the Platform (collectively, "Customer Content").

6.2 **Limited Use of Customer Content by Ellevation.** During the Term, Customer hereby grants Ellevation the right to use and transmit the Customer Content for purposes of: (a) making Customer Content available for viewing and downloading by Customer Users. During the Term and thereafter, Customer grants Ellevation the right to use the Customer Content solely on an aggregated, de-identified basis, to (i) improve its educational products for

the purposes of adaptive and customized learning; (ii) demonstrate the effectiveness of its products (in terms of benchmarks, trends, statistics, and comparisons) for purposes of promotion, marketing, and sale of its products and services; and (iii) for the development and improvement of its educational sites, services, or applications.

- 6.3 **Ownership of Platform.** As between the parties, Ellevation retains all right, title and interest (including all intellectual property and proprietary rights therein) in and to the following but excluding any Customer Content: (a) the Platform and the technology and software used to provide it; (b) all electronic and print documentation and other content made available or collected through the Platform; and (c) all data or information contained in or derived from the Platform (collectively, "Ellevation Data"). Subsections (a), (b) and (c) are defined as the "Ellevation IP". Except as expressly set forth in this Agreement, Ellevation shall have the right to use or disclose the Ellevation IP including the Ellevation Data at its sole discretion. In addition, except for Customer's rights to access and use the Platform set forth in this Agreement, nothing in this Agreement licenses or conveys any right to the Ellevation IP to anyone, including Customer
- 6.4 **Feedback.** Ellevation will have a perpetual right but not the obligation to use and incorporate into the Platform any feedback or suggestions for enhancement that Customer provides to Ellevation concerning the Platform ("Feedback"), without any obligation of compensation. Customer hereby acknowledges that Feedback shall be considered Ellevation IP.
- 7 Confidentiality and Data Security.**
- 7.1 **Confidentiality.** As used herein, the "Confidential Information" of a party (the "Disclosing Party") means all financial, technical, or business information of the Disclosing Party that the Disclosing Party designates as confidential at the time of disclosure to the other party ("Receiving Party") or that the Receiving Party reasonably should understand to be confidential based on the nature of the information or the circumstances surrounding its disclosure. Without limiting the generality of the foregoing, Confidential Information includes but is not limited to, the terms and conditions of this Agreement; pricing for the Platform; and information about Ellevation's tools and features. Except as expressly permitted in this Agreement, the Receiving Party will not disclose, duplicate, publish, transfer or otherwise make available Confidential Information of the Disclosing Party in any form to any person or entity without the Disclosing Party's prior written consent. The Receiving Party will not use the Disclosing Party's Confidential Information except to perform its obligations under this Agreement (including, in the case of Ellevation, to provide the Platform). Notwithstanding the foregoing, the Receiving Party may disclose Confidential Information to the extent required by law, provided that the Receiving Party: (a) gives the Disclosing Party prior notice of such disclosure so as to afford the Disclosing Party a reasonable opportunity to appear, object, and obtain a protective order or other appropriate relief regarding such disclosure (if such notice is not prohibited by applicable law); (b) uses diligent efforts to limit disclosure and to obtain confidential treatment or a protective order; and (c) allows the Disclosing Party to participate in the proceeding. Further, Confidential Information does not include any information that: (x) is or becomes generally known to the public without the Receiving Party's breach of any obligation owed to the Disclosing Party; (y) was independently developed by the Receiving Party without the Receiving Party's breach of any obligation owed to the Disclosing Party; or (z) is received from a third party who obtained such Confidential Information without any third party's breach of any obligation owed to the Disclosing Party. For the sake of clarity Confidential Information does not include information independently acquired by the newsroom of or the editorial staff of Ellevation or any of its related companies. The Receiving Party will return or destroy all Confidential Information upon the Disclosing Party's request after the termination or expiration of this Agreement and (if requested by the Disclosing Party) certify such return or destruction in writing.
- 7.2 **Confidentiality of Student Records.** Customer appoints Ellevation a "school official" as that term is used in the Family Educational Rights and Privacy Act ("FERPA"), 34 C.F.R. §99 et. seq., and determines that Ellevation has a "legitimate educational interest," for the purpose of carrying out its responsibilities under this Agreement. Ellevation agrees to be bound by the relevant provisions of FERPA, including that it will remain under the "direct control" of Customer with respect to its collection, use and handling of personally identifiable student data. Ellevation will use personally identifiable student data only to fulfill the Services in performance of this Agreement, and as permitted pursuant to Section 6.2 of this Agreement, will only share personally identifiable student data with its third-party vendors as necessary to fulfill the Services in performance of this Agreement.
- 7.3 **Data Security.** Ellevation deploys commercially reasonable security precautions intended to protect against unauthorized access to Customer data, including Personal Information, stored by Ellevation, including use of firewalls, encryption, authentication technologies and background screenings for all employees. *Personal Information* shall mean an individual's first name and last name or first initial and last name in combination with any one or more of the following data elements that relate to such resident: (a) Social Security number; (b) driver's license number or state-issued identification card number; or (c) financial account number, or credit or debit card number, with or without any required security code, access code, personal identification number or password, that would permit access to a resident's financial account; provided, however, that "Personal Information" shall not include information that is lawfully obtained from publicly available information, or from federal, state or local government records lawfully made available to the general public.

- 7.4 **Notification of Breach.** Both parties agree to promptly notify the other party of any breach, or attempted breach, of security that such party knows of, or reasonably believes to know of, that may affect Customer Content on the Platform.
- 7.5 **Legal Requests for Data.** If Ellevation receives a court order or subpoena for Customer Content, Ellevation agrees to provide the Customer with a copy of such court order or subpoena within two (2) business days of its receipt of it and shall notify the Customer of the content of any testimony or information to be provided and provide the Company with copies of all documents to be produced.

8 **Representation and Warranties; Disclaimers**

8.1 **Ellevation Representations and Warranties.** Ellevation warrants that:

(a) it has the necessary authority to enter into this Agreement;

(b) it owns or has the right to use all intellectual property required by the Platform, including but not limited to any necessary trademark, copyright or patent rights;

(c) it will provide the Platform and related services in a professional and workmanlike manner and in accordance with the specifications set forth in any Statement of Work issued hereunder;

(d) it will comply with all applicable laws that apply to the Platform, including applicable laws regarding access to government records in the state where Customer is located; and

8.2 **Customer Representations and Warranties.** Customer hereby represents and warrants that: (a) it has the necessary authority to enter into this Agreement; (b) it has all rights, permissions and consents necessary to submit all Customer Content to the Platform and to grant Ellevation the rights to use Customer Content set forth in Section 6.2; (c) any materials uploaded to the Platform does not contain anything that is defamatory, libelous, infringes upon any third party intellectual property rights, or violates any confidentiality obligations Customer has with a third party; and (d) it will comply with all applicable laws that apply to its performance under this Agreement.

8.3 **Disclaimer.** Customer acknowledges that, as an internet-delivered software application, the Platform may experience periods of downtime, including but not limited to due to scheduled maintenance, and third-party service outages.

Accordingly, ELLEVATION DOES NOT WARRANT THAT THE PLATFORM WILL BE ERROR-FREE OR OPERATE WITHOUT INTERRUPTIONS OR DOWNTIME. ELLEVATION MAKES NO REPRESENTATIONS OR WARRANTIES, WHETHER EXPRESS OR IMPLIED, WITH RESPECT TO THE PLATFORM, INCLUDING ITS DOCUMENTATION, THE PLATFORM SOFTWARE, OR ANY DATA OR CONTENT MADE AVAILABLE THROUGH THE PLATFORM. ELLEVATION SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, AND ACCURACY

9 **Drug Free Workplace.** Ellevation provides a drug-free workplace for its employees, including; (i) posting in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in Ellevation's workplace and disciplinary action may be taken for violations of such prohibition; (ii) stating in all job solicitations or advertisements for employees placed by or on behalf of Ellevation that it maintains a drug-free workplace; and (iii) going forward, it shall include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor. For the purposes of this Section 9, "drug-free workplace" means a site for the performance of work done in connection with this contract where the employees of Instructure are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

10 **Insurance.** Ellevation shall provide professional liability insurance with amounts of no less than \$1,000,000.00 per incident and \$2,000,000.00 per aggregate.

Upon written request, Ellevation shall file with the District a Certificate of Insurance. The Certificate of Insurance shall include the liability coverage limits, dates of coverage, coverage of the Ellevation and its agents, and a clause which names the District as an additional insured for claims arising under this Agreement.

11 **Termination.**

11.1 **Termination.** Either party may terminate this Agreement immediately if (i) the other party breaches any material provision and fails to cure breach within twenty (20) days after receiving the other party's written notice identifying the breach, and/or (ii) for any or no reason, upon sixty (60) days' prior written notice. In addition, Ellevation may suspend Customer's access to the Platform immediately if Customer fails to make a payment for more than thirty (30) calendar days following its due date

11.2 **Treatment of Customer Content at Termination.** Customer shall have sixty (60) days following the termination or expiration of this Agreement to provide Ellevation with a written request for a one-time, delimited file export of its data from the Platform via SFTP. Regardless of whether Customer timely requests a one-time export within this 60-day period and except as otherwise provided in Section 6.2 above, within sixty (60) days of the termination or expiration

of this Agreement, Ellevation will securely destroy any and all of Customer's personally identifiable student data stored in the Platform, including any such data stored in Ellevation's backup systems.

12 Indemnification

- 12.1 Ellevation will defend, indemnify and hold harmless Customer and its employees and agents from and against any third party claim, demand or action, and all resulting damages, settlement amounts, penalties, costs and expenses, to the extent such claim, demand or action alleges that the Platform, or Customer's use thereof in accordance with this Agreement, infringes or violates any copyright, trademark, U.S. patent, or other proprietary right of any third party; provided, that Ellevation will not be obligated under this sentence to the extent any such infringement or violation arises from use of the Platform in combination with technology or services not provided by Ellevation and/or from use of the Platform and/or the Ellevation Network in violation of the terms and conditions set forth in this Agreement.
- 12.2 To the extent permitted by applicable law, Customer will defend, indemnify and hold harmless Ellevation and its corporate affiliates, directors, officers, employees, successors, assigns and agents from and against any third party claim, demand or action, and all resulting damages, settlement amounts, penalties, costs and expenses (including reasonable outside legal costs), that arises out of or relates to Customer Content (except to the extent such claim arises from Ellevation's use of Customer Content in violation of this Agreement), including without limitation claims that Customer Content infringes or violates any intellectual property or proprietary right of a third party, violates any confidentiality obligation owed to a third party, or violates any applicable law or regulation.
- 13 **LIMITATION OF LIABILITY. NEITHER PARTY WILL BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, INDIRECT, OR PUNITIVE DAMAGES IN CONNECTION WITH ANY CLAIM OF ANY NATURE ARISING UNDER THIS AGREEMENT, EVEN IF SUCH PARTY HAS BEEN GIVEN ADVANCE NOTICE OF SUCH POSSIBLE DAMAGES. IN ADDITION, NEITHER PARTY'S TOTAL, AGGREGATE LIABILITY FOR ALL CLAIMS OF ANY NATURE ARISING OUT OF THIS AGREEMENT (EXCLUDING WITHOUT LIMITATION CLAIMS FOR INDEMNIFICATION UNDER SECTION 12) WILL NOT EXCEED THE FEES ACTUALLY PAID TO ELLEVATION UNDER THIS AGREEMENT DURING THE TWELVE (12) MONTHS PRECEDING THE EVENT GIVING RISE TO THE CLAIM.**
- 14 **Notices.** All notices under this Agreement must be in writing and sent via email to notices@ellevationeducation.com and, if to Customer at the email address provided in Customer's Subscription Agreement
- 15 **Entire Agreement.** The Subscription Agreement together with these Terms and Conditions represent the entire agreement between the parties regarding Customer's use of the Platform and related matters addressed in this Agreement, and supersedes any prior oral or written agreements, promises, representations, warranties, or inducements between or by the parties regarding such subject matters
- 16 **Assignment.** Ellevation may not assign this Agreement without Customer's prior written consent, not to be unreasonably withheld; provided, however, that no consent shall be required for the assignment of this Agreement to the acquirer of all or substantially all of Ellevation's assets provided that such successor agrees to be bound by all of the terms and conditions hereof.
- 17 **Force Majeure.** Neither party is liable for delay or default under this Agreement if caused by conditions beyond its reasonable control, whether or not foreseeable (e.g., technology malfunctions, outages of Internet Service; outages in third party hosted services), or any other Force Majeure events. "Force Majeure" events will mean: armed conflicts, famine, floods, Acts of God, labor strikes or shortages, governmental decree or regulation, court order, severe weather, fire, earthquake, acts of terrorism, failure of suppliers, unavailability of communications transport facilities and breakdowns in communications transport facilities; provided however, that this provision does not apply to Customer's obligations to make payments hereunder.
- 18 **Miscellaneous.** This Agreement shall be governed by the laws of the state where Customer is located without regard to the conflict of law provisions of such state; provided that jurisdiction for any dispute that arises hereunder shall be in the state and federal courts of the Commonwealth of Massachusetts. In the event a court of competent jurisdiction finds any provision of this Agreement to be illegal or unenforceable, the parties agree that the court shall modify such provision(s) to make such provision(s) and this Agreement valid and enforceable. The provisions of this Agreement are severable, and any illegal or unenforceable provision, or any modification by any court, shall not affect the remainder of this Agreement, which shall continue at all times to be valid and enforceable. This Agreement can only be modified by a writing signed by both parties. The failure of the parties to insist upon or enforce strict performance of any provision of this Agreement or to exercise any right or remedy thereunder will not be construed as a waiver by such party to assert or rely upon any such provision, right, or remedy in that or any other instance. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Agreement and of signature pages by facsimile transmission or electronically by the parties will constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes. Signatures of the parties transmitted by facsimile or electronically will be deemed to be their original signatures for any purpose whatsoever.

Dear Lizet,

Rosetta Stone provides an engaging online language-learning experience that can be easily integrated with Horizon Montessori Public Schools's in-class instruction. It is designed for all proficiency levels from blank-slate students with limited exposure to new languages to those building language skills for college and careers.

Rosetta Stone Foundations for World Language provides fun lessons that help Horizon Montessori Public Schools's students successfully communicate and practice World Languages in a self-paced or structured blended environment.

Rosetta Stone Foundations for World Language provides teachers robust real-time reporting in order to assess learner achievement along the way. This end-to-end language learning solution gives students and teachers the tools necessary to successfully build language proficiency.

We look forward to providing any clarification necessary and to presenting our solution when convenient. Should you have any questions, please call me or email me at the contact information below.

Best Regards,

Kathryn

Rosetta Stone® Foundations for World Language (Silver)

Rosetta Stone Foundations for World Language (Silver) is a scalable online language-learning solution designed for beginner to intermediate students to build fundamental language skills.

Foundations includes access to 25 languages:

- | | | |
|----------------------|-------------------|---------------------------|
| ▪ Arabic | ▪ Hebrew | ▪ Polish |
| ▪ Chinese (Mandarin) | ▪ Hindi | ▪ Portuguese (Brazil) |
| ▪ Dutch | ▪ Irish | ▪ Russian |
| ▪ English (American) | ▪ Italian | ▪ Spanish (Latin America) |
| ▪ English (British) | ▪ Japanese | ▪ Spanish (Spain) |
| ▪ Filipino (Tagalog) | ▪ Korean | ▪ Swedish |
| ▪ French | ▪ Latin | ▪ Turkish |
| ▪ German | ▪ Persian (Farsi) | ▪ Vietnamese |
| ▪ Greek | | |

Our structured approach engages learners by developing language skills through a predefined sequence and method using sounds, images, and text to help students absorb meaning intuitively, so learning is natural.

As students complete interactive language instruction they unlock the ability to practice their language skills through lessons, activities and stories leveled to their learning progress.

Key Features

- | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"> ▪ Language Training provides core language instruction. ▪ Enhanced Activities reinforce language skills in fun, engaging ways. ▪ Administrator Tools provide teachers with robust reporting tools to measure student progress. | <ul style="list-style-type: none"> ▪ Mobile Apps extend learning beyond the classroom. ▪ Teachers Guides and Workbooks provide support materials to integrate into the classroom. ▪ Training, Implementation, and Support services ensure successful deployment of the program. |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

The Rosetta Stone Foundations for World Language solution provides Horizon Montessori Public Schools the following key benefits:

- Immersion environment that activates natural aptitude for acquiring a new language
- Gamification makes language learning interesting and delivers results
- Provides a personalized experience that enables students to progress at their own pace through a structured sequence
- Accessibility anytime, anywhere on mobile and on the web

Language Training engages students instantly.

Learning begins immediately in an immersion environment with interactive activities carefully sequenced to build language naturally. Core lessons introduce reading, writing, speaking, and listening skills, then key skills such as grammar and vocabulary are refined in focused activities.

Strong emphasis is placed on producing spoken language. Proprietary speech recognition evaluates students’ pronunciation, providing immediate feedback guiding students to speak the new language correctly.

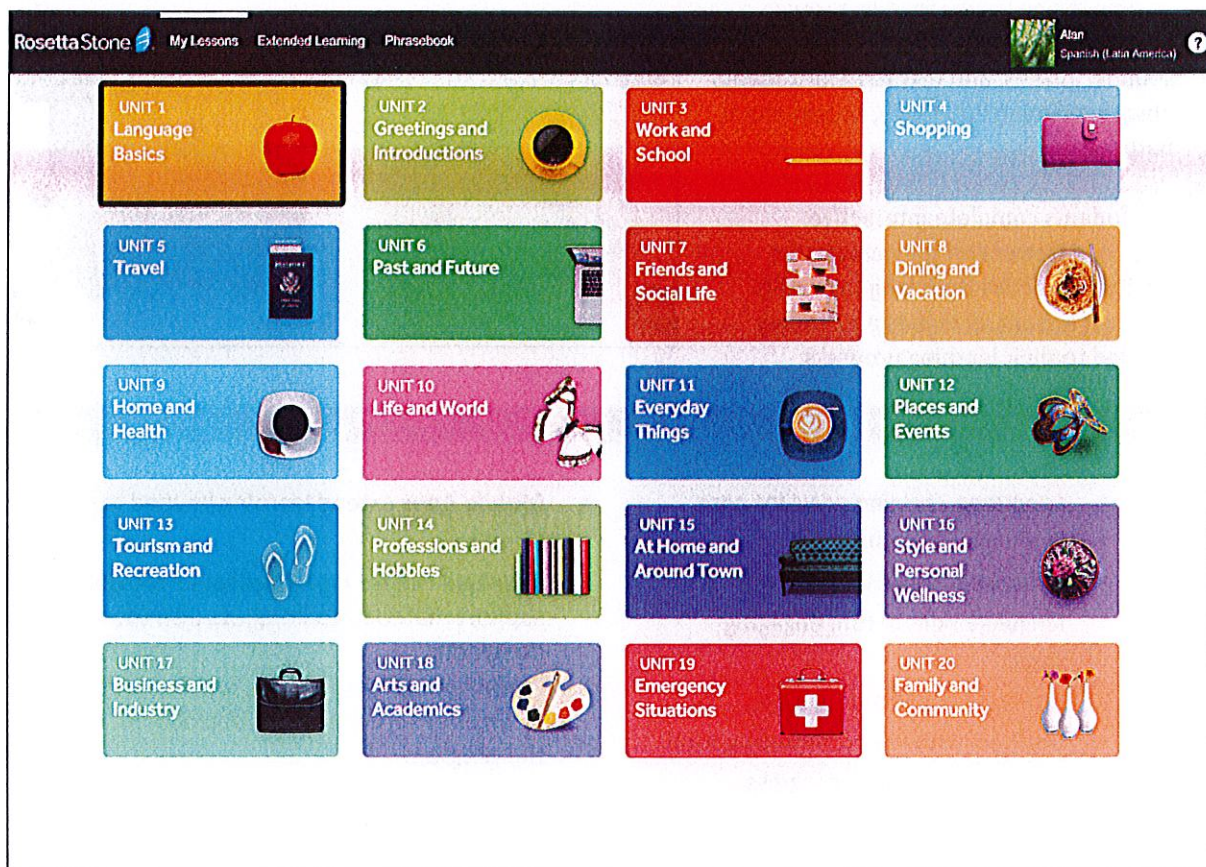

Figure 1 – Course Menu

Teachers Guides and Workbooks support in-class instruction.

Teachers receive support materials for our most popular languages, including workbooks with paper-based activities, teacher’s guides, and quizzes. These materials help teachers integrate technology-based learning into their curriculum.

Administrator Tools provide dynamic reporting options.

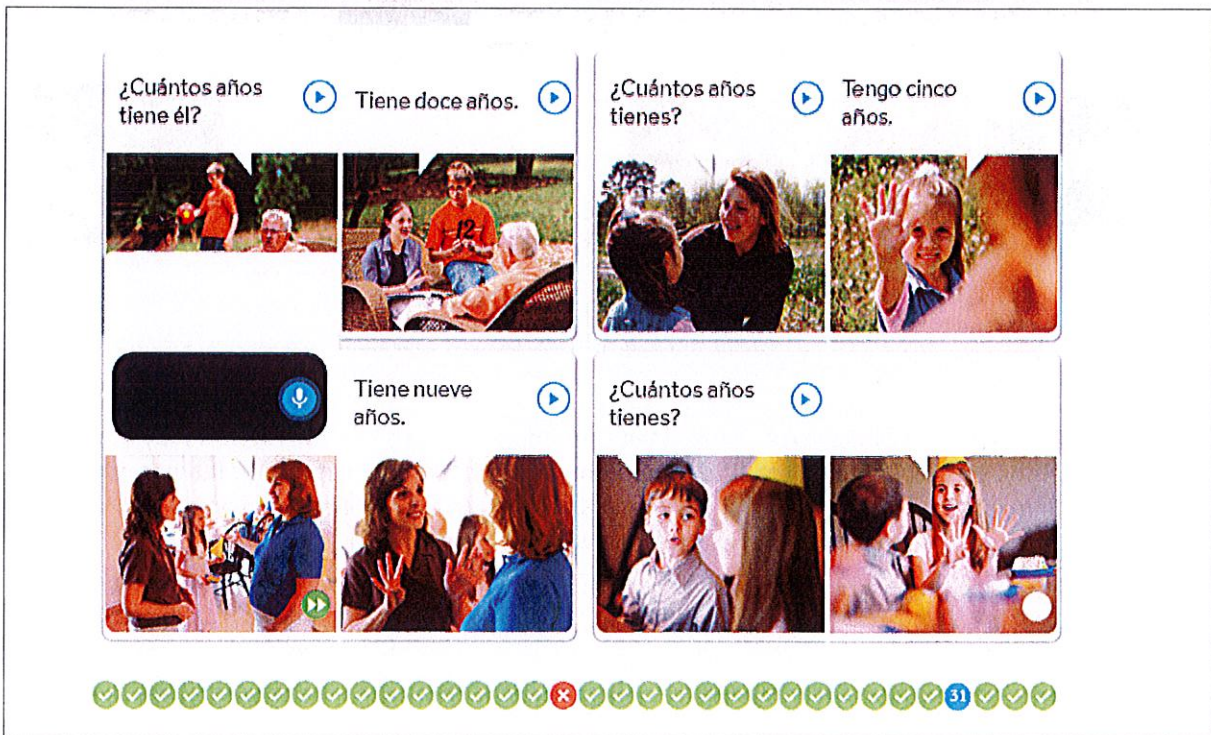

Management tools enable monitoring of student, class and group progress. Reports identify student’s strengths and weaknesses, assisting teachers in planning in-class and one-on-one instruction. Administrators can manage access, roles, and permissions across entire schools and districts.

Mobile Apps enable learning anytime, anywhere there is Internet access.

Students can practice and learn inside and outside the classroom, using a variety of mobile devices. Rosetta Stone has highly rated (4.8 out of 5 stars in iTunes) mobile apps for use on iOS and Android smartphones and tablets. In 2017 and 2018, our award winning mobile apps received two Tabby Awards for best iOS phone app and best Android phone app in the Education category.

Training, Implementation, and Support Services focus on achieving goals.

Rosetta Stone partners with Horizon Montessori Public Schools to effectively implement a program that can blend with in-class teacher instruction. Rosetta Stone partners with Horizon Montessori Public Schools to plan, deploy and promote the program and to support integration of the solution into the technical infrastructure.

Developing Reading, Writing, Listening and Speaking Skills

Our multi-media platform is ideal for developing Listening, Speaking, Writing and Reading skills.

Listening	Speaking
Writing	Reading

Foundations has over 25,000 rich audio and video content including content about everyday topics, culture, history, geography, and more. The superior multimedia technology presents learners with the tools to communicate: a headset to listen; a microphone (SRE) to speak; images to communicate meaning without translation; and exercises to practice writing.

Students receive visual and auditory feedback, which shows how their pronunciation compares with the pronunciation of native speakers. The ability to practice and receive this feedback is critical in acquiring appropriate communication skills, and in developing the confidence to use the new language skills.

The unique speech recognition technology provides speaking practice to build confidence in communicating in their new language. With full language immersion and advanced speech recognition technology Rosetta Stone will keep students engaged and learning.

Supports Critical Language Learning Skills – Speaking, Listening, Reading, Writing, Vocabulary & Grammar

UNIT 5 : Travel			
Lesson 1	Lesson 2	Lesson 3	Lesson 4
Core Lesson	Score: 95% 119 correct / 6 incorrect		Review
Pronunciation	Score: 95% 20 correct / 4 incorrect		Review
Vocabulary	Score: 100% 40 correct		Review
Grammar	Score: 93% 40 correct / 3 incorrect		Review

Exclusive speech recognition technology encourages practice and refinement. Learners start speaking from their first lesson and receive immediate feedback. Speech is simply part of the new language experience.

Mobile Applications

Rosetta Stone Learn Languages (app) gives Rosetta Stone Foundations subscribers a new way to engage with their language discovery. This dedicated application enables students to continue their journey towards language-learning success, anywhere they use an iPad®, iPhone, or Android™ device. Rosetta Stone has highly rated 4.8 out of 5 stars in iTunes mobile apps for use on iOS and Android smartphones and tablets.

Learners have free access to this application for the duration of their subscription.

Rosetta Stone Learn Languages (app) features include:

- An easy-to-use and navigate touchscreen interface with bright, vivid screens
- Lessons that compliment what you're learning in the rest of Foundations
- Innovative speech-recognition technology
- Tracking so that what students learn with mobile devices syncs with the administrator tools

Rosetta Stone has parity between our web app and our mobile app allowing learners the freedom to learn wherever and whenever they have the opportunity. The app is available for both iOS and Android. In 2019, we won the "Best of Galaxy Store" award!

Offline Mode for Learn Languages Mobile App

Rosetta Stone empowers learners to study whenever and wherever they are most engaged -- no internet required.

Offline mode enables learners to select and download lessons so that they can use them offline. When they reconnect to the internet, the app will automatically sync their lesson activity with the cloud, so their progress is always saved.

Offline mode is available on all iOS and Android devices.

Child-Friendly Stories

Child-friendly stories provide engaging, interactive content along with colorful images to appeal to children of all ages. Children can choose to read age-appropriate stories to themselves or read along with a narrator who is a native speaker of their target language. They can even record themselves reading aloud and then listen to that recording to improve their pronunciation.

← Stories **Read** Listen Speak

Read the passage.

The Cat in the Tree

A girl is reading. She has a dog. The dog is sleeping. The grass is green. The sky is blue.

There is a red car. A man is driving the car. Who is he? There's a woman in the car. There's a boy in the car. Who are they?

Now they are walking to the red house. The woman has keys. The house has no chairs, it has no tables, and it has no beds.

A big yellow truck is driving to the house. There are three men in the truck. They are wearing yellow shirts and hats. They are walking to the house.

Stories

Read, listen, and speak your new language.

Road Trip: Goodbye!

Robotics Team: The New Student

The Big Yellow Sun

The Boy from Hana

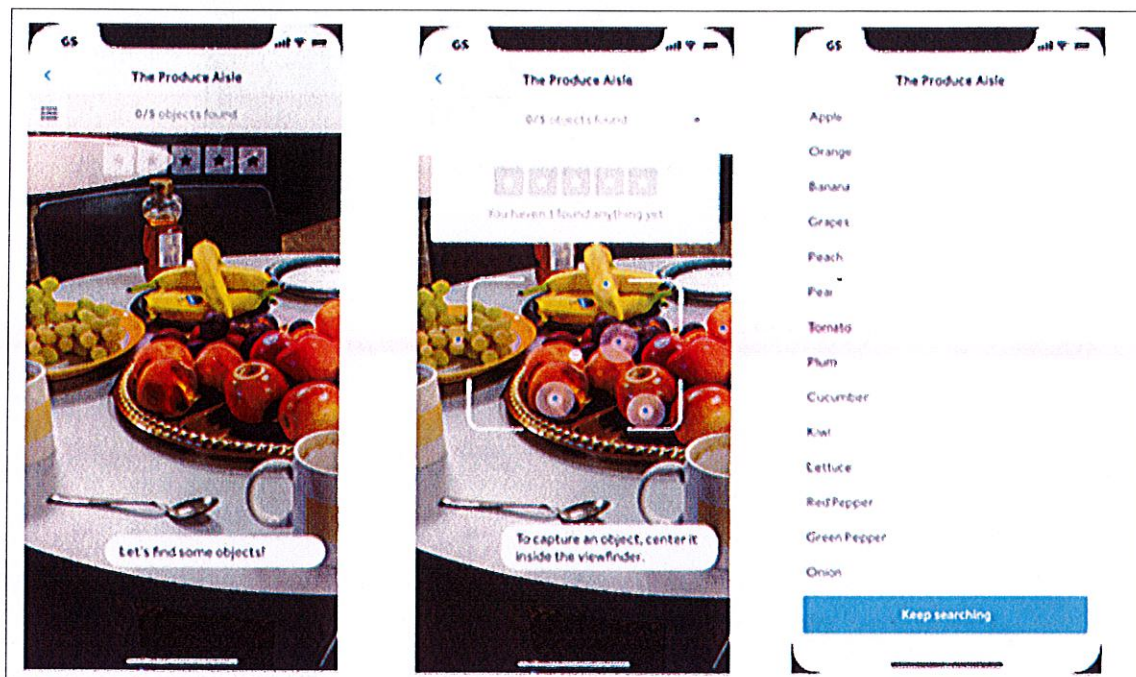

The Small Farm

Child-friendly stories are currently available in English, French, Italian, German, and Spanish.

Seek & Speak - This is an exciting new feature that combines augmented reality (a type of AI) and personalization to create a dynamic learning experience. Seek and Speak was developed in collaboration with Apple to leverage the most cutting-edge smartphone technology available today. Using object-recognition technology that leverages augmented reality, Seek & Speak turns everyday objects into conversation practice with scavenger hunt-style challenges. Seek & Speak enables students to point their phone's camera at an object and receive a translation in their language of choice, and then practice conversation using the newly obtained vocabulary with Rosetta Stone's proprietary speech recognition engine, TruAccent®.

The feature is released for iOS English, French, Spanish, Italian and German and will expand to include more scavenger hunt challenges and languages in the future.

Administrator Tools provide dynamic reporting options.

Administrator Tools deliver powerful functionality to add students and monitor overall usage and progress. Reports can be easily generated for individual students, groups, or districts. The key reports used are:

- **General usage reports:** these popular reports allow monitoring and reporting on all students (group or district) based on criteria such as time used and/or progress made.
- **Learner reports:** allow detailed reporting on each individual student (or group), from a top level down to each individual lesson they have completed.
- **Curriculum reports:** allow monitoring and reporting on students based on the language or curriculum they are studying.

Hi Lizet,

We offer the Sparklers Club membership for art teachers. Our membership currently offers 3 different curriculums and we are coming out with a 4th one this summer. We do not sell our curriculums individually. In order to have access to our lessons, your group would need to join the Sparklers' Club membership.

WHAT IS THE SPARKLERS' CLUB?

The Sparklers' Club is a membership program that supports teachers who teach art to kids. We offer three bundles a month. (Each bundle contains anywhere from 9-15 lessons in each bundle.) One bundle Team Sparkle will "drop" into your account. It is the monthly bundle that Team Sparkle will create for that month. Then, you get to unlock 2 bundles of your choice from our bundle archive. We have over 90 bundles to choose from. You can choose from artist and themed bundles or you can choose bundles from either the **EPIC** or **ATTA** curriculums. Each month going forward, you can add three more bundles to your account in this way.

We offer the **Elements of Art Principles of Design Curriculum (EPIC)** and we offer the **Art Through the Ages Curriculum (ATTA)**. Both curriculums come with planning guides, master book list, and scope and sequence charts. We also have a mini curriculum for teachers who teach Art on a Cart. This curriculum requires simply supplies for lessons being taught on a cart.

New to the membership this summer we are offering the **Global Art Passport Curriculum (GAP)**. The Global Art Passport Curriculum will invite children on a journey to cultures around the world through creating art. The curriculum will be 8 bundles, each focused on a different region of our diverse and beautiful world. Stay tuned for more details on this existing NEW curriculum, coming this summer.

Teachers can customize their own art program by picking and choosing the lessons they want to use to compliment their curriculum. Or they can follow one of the three curriculum that we provide. Teachers in our program have several pathways to find success in their classroom.

Our membership also offers over 30 TRAININGS with PD HOURS. If you are required to teach remotely, we highly recommend you watch the *Virtual Teaching that Sparkles with Heather Sparks*.

We also have a **TEACHER AIDS** section with classroom and art teacher resources. In addition, all of the bundles offered in the membership contain their own resources specific to that bundle.

Each teacher will receive their own login to their Sparklers Club account. 1 membership for 1 teacher. Sparklers will also have access to the private Sparklers Club Facebook Group where they will find support from Team Sparkle as well as from thousands of other art teachers from around the world.

We have K-6 memberships which encompasses all grades. We currently have about fifty 7th grade lessons in the Sparklers Club membership. We are adding one to two 7th grade lessons into the membership every month.

We offer a monthly plan for \$38/month where you pay as you go or you can pay the year upfront for \$379/year. US dollars. *Yearly members get access to all 12 EPIC bundles upfront when they join.* Our next enrollment period will be in August 8th-15th.

- To get on the Sparklers' Club waitlist click here: <https://deepspaceparkle.lpages.co/the-sparklers-club-waitlist/>

- To view Sparklers Club bundles we currently offer in the membership as well as bundles are coming out in 2021 click here: <https://d3ndagut9sanks.cloudfront.net/2020-D/PDF-Sparklers+Club/Temp+Copy+2021+Bundle+List.pdf>
- To check out the Sparklers Club Blueprint and receive a sample lesson click here: <https://d3ndagut9sanks.cloudfront.net/2021-D/PDF-DSS/NEW+2021+TSC+BLUEPRINT.pdf>

When schools or school districts want to purchase 5 or more memberships we can offer a Staff Pass, which is basically a volume discount.

*Staff Passes are good for one year.

*Staff Passes are for yearly K-6 memberships- 1 membership per teacher

*We offer discounts and the breakdown is as follows:

5-9 memberships we offer a 10% discount

10-19 memberships we offer a 20% discount

20 or more memberships we offer a 25% discount

If you are interested in a Staff Pass, please let us know how many teachers you are interested in purchasing for and we can send you an invoice.

Please let me know if you have any other questions. We hope to see you in the Sparklers' Club!

Powering Your School's Identity

Apptegy started in 2014 with the goal of enabling schools to build a strong brand and communicate more effectively with their audiences. In 2015, we worked with our first three beta clients. Today, in 2020 we've partnered with schools and districts in 49 states (and counting!) to build their website, custom mobile app, and the alert and notification system.

What Makes Us Different

1 Thrillshare's Ease of Use

With our publishing platform, Thrillshare, **you don't need to have any programming knowledge** to update your district's website, app or notification system. Now promoting your success stories across all communication channels can be done right from your smartphone.

2 The User Experience for Your Community

Wherever your community interacts with you online, **they'll be able to engage with ease**. No more pinching or pulling to view your website on a smartphone or being redirected somewhere else from your app.

3 Your Experience Working With Us

From the beginning, Apptegy set out to be more than a software provider. We strive to be a true partner and resource for our districts. That commitment and our personal, fast and easy support has earned Apptegy an unheard of **99% client retention rate**.

“

I have to tell you, this platform is GREAT. Thrillshare simplifies the process of posting things to various school online resources to the point where I can see where we will be sharing so much with parents, especially on the APP.

...

All of you at Apptegy have been absolutely wonderful to work with. We have received great feedback on our new website and app, and one of our most recent posts reached more people than we ever have! That would never have happened without Thrillshare!

”

Scope & Deliverables

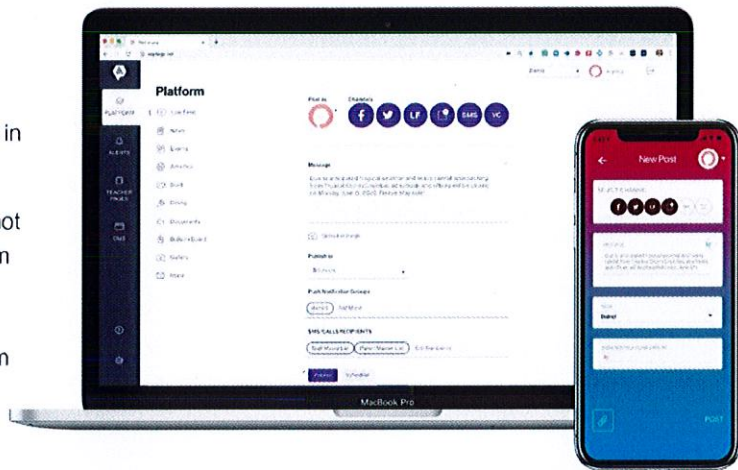

At Apptegy, we've developed the first publishing platform for school districts, so your team manages all of your communication channels from a single place. This means you'll share more stories with your community without creating more work for your staff.

By eliminating the technological barrier required to communicate, Thrillshare makes it easy to assign roles and privileges to your team to update what they care most about. With this level of customization and control, you can be confident about consistent messaging being shared with your community.

Publishing Platform

From the beginning, Thrillshare was designed to contain all your district communication channels in one place.

Built specifically for school districts, Thrillshare not only manages your website, but also your custom mobile app, all of your social media channels, and your alerts and notification system. Keeping information up-to-date is **as easy as it gets**, from the lunch menu to your calendar and news.

Mobile Apps

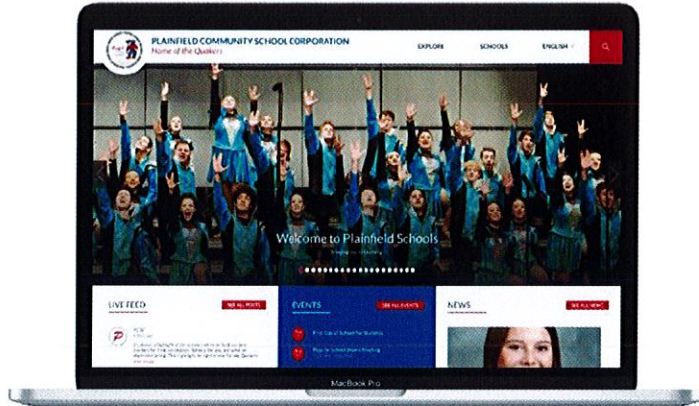

We build beautiful mobile apps for **Android and iPhone** that focus on what really matters: the user experience. A user experience that delights parents and community members means they will continue to come back to the app for meaningful information.

Websites

We will work with you to understand how you want your district brand to come across by creating a new website. Within your common branding, each school webpage can be customized, using the school's specific colors, mascots, logos, etc. We want your website to stay fresh and never grow stale, so we **include a free re-design** with each year of our partnership.

Alerts

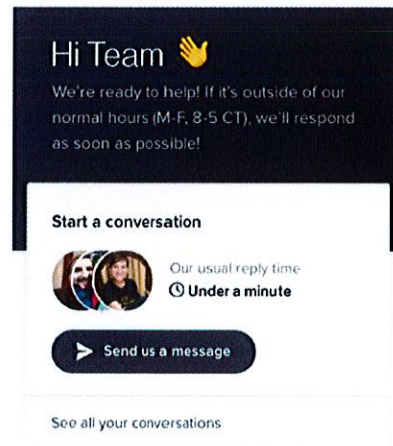

In order to save you time, we can automatically **sync with your Student Information System** so you can send out text, phone and email notifications. Easily send and schedule recurring alerts like attendance calls. Plus, with state-of-the-art technology, your text, email and voice calls can be automatically translated.

Transition & Support

We handle all of the heavy lifting including design, development, static content migration, training and ongoing support. Your own dedicated contacts at Apptegy during implementation and after launch make it an easy transition for the district.

With **unlimited training and prompt support**, every Thrillshare user will always have someone to assist with any questions that arise.

I. Estimated Transition Timeline

Kick-off

Week 1

We get our partnership started with a meeting to introduce stakeholders on your side and ours. In this meeting, we will cover our detailed roadmap, initial designs, and the overall structure of the planned implementation.

Design

Weeks 2-3

We create a mockup as a first draft and iterate from there. Since we've already established a good understanding of what you're looking for in the kick-off call, this process is typically quite fast.

Development & Content Migration

Weeks 4-6

Once we're done with the development, we migrate your static content for you. After our team has gone through your entire website and app and confirmed that everything is working, we will ask you to approve the content and functionality as well.

Training Sessions

Weeks 7-8

An ideal training schedule will include a setup call with your project lead, in-depth sessions for all of your power users, and introduction sessions for casual users.

Launch Campaign

Weeks 9-10

Flipping the switch is all it takes: we just point your domain to our servers and the change to the new website will be instant.

Of course we don't want the switch to go unnoticed by your community. That's why we design an entire launch campaign around the app and website with you. You'll get a custom marketing playbook, including graphics, videos, and a launch plan.

Support

Ongoing

Now that you are live, we work together to drive adoption of your new website and mobile app. You will be working closely with your Client Success Manager on marketing strategies and our Support Team on any questions your users have after the switch.

II. Payment Schedule

Bill Date	Amount
60 days from signature	\$17,000
1 year from first bill date (if renewed)	\$10,000 (if renewed)

III. Schedule of Pricing
