

Consent Item

Date: October 20, 2025

Division: Finance

Subject: RFP #F1087-25 Special Education Technology Solutions and Other Related Products and Services

Background Information:

- This recommendation is a new Request for Proposal (RFP) to help meet the needs of the Special Education Department in obtaining software solutions to ensure state and federal compliance.
- Included in this RFP are products, services, and software which can help support key requirements, including, but not limited to, Section 504 compliance, Individualized Education Program (IEP) goals, Multi-Tiered System of Supports (MTSS) tracking, progress monitoring, data reporting, integration with Student Information Systems (SIS) and Learning Management Systems (LMS), and communication tools for staff, students, and families.
- If approved, the District will have access to a wide range of vendors, products, services, and competitive pricing in support of achieving the best value.
- Best value involves considering several factors, which may include but are not limited to price, quality, availability, delivery timing, support, and other relevant factors.

Administrative Consideration:

- One thousand nine hundred seventy-one notifications were sent, and fifteen proposals were received.
- Funds for these products and services will come from the Special Education Department budget(s).
- Previous annual expenditures for this commodity.
 - 2024–2025: \$149,200
- Estimated annual expenditures in this commodity: \$154,600 but will not exceed the previously approved budget(s).
- This procurement complies with Lewisville ISD Board Policy, Section 44.031 of the Texas Education Code, and applicable state, local, and federal procurement laws.

Recommendations:

- That the Lewisville ISD Board of Trustees approves RFP #F1087-25 Special Education Technology Solutions and Other Related Products and Services, the recommended vendors, and the estimated annual expenditures for a two-year term.

Timeline/Report:

- Term: October 2025 – September 2027
