To whom it may concern,

Riverside Technologies, Inc. (RTI) is pleased to provide Nye County School District with the following response to request for proposal ***Summer 2026 Computer Refresh***. We are confident that our technology solution provided by our education solution team will exceed your expectations for affordability, quality, performance and customer support.

Driven by passion, creativity and teamwork, RTI is committed to providing you with the best hardware and customer service possible. With years of experience in engineering, technology support, technology deployments, and customer service your account management team stands ready to assist you. RTI can provide the following services to Nye County School District:

- **Asset Tagging/Reporting:** RTI labels each system with an identification tag. Your Asset Management information is detailed in a report that includes: bar-coded asset numbers, computer manufacturer, model number, serial number and any other custom information requested.
- **Green Delivery:** RTI removes all packaging materials and disposes of, or recycles the materials. RTI bulk ships your orders in our custom shipping container that minimizes waste, is easily collapsible and recyclable.
- **Imaging:** Using your supplied image, we'll validate, load and test units to confirm there are no failures. Each system's hard drive is loaded to your exact specifications, so the units are ready to be used straight out of the box - saving valuable hours (and headaches).

We are aware that you are selecting a partner who has provided outstanding customer service, professionalism, advanced technical ability and premium product. We look forward to collaboration with your business and employees to make a difference in Nye County School District! Please do not hesitate to reach out with any questions to Nathaniel Ericson at (866) 804-4388 ext. 1411. We appreciate the opportunity to do business with you!

Sincerely,

Kevin Heiss
