Re: Bid Results – Concrete Replacements at 18 sites

The Operations Department has inventoried sites across the district and they are recommending concrete replacement at 18 sites this summer. This project will be managed by LPS staff this summer, specifically the Supervisor of Maintenance. The source of funds for this project is the Sinking Fund.

A formal bid was conducted and there were three vendor responses. The bid tabulation with the list of sites and the bid amount is attached. Also attached is a recommendation from Administrator of Operations, Harry Lau to accept the low bid and award the contract to Aland Construction.

We would like to discuss the bid results for concrete replacement at 18 sites at the next Building and Site meeting on June 16, 2014.

LIVONIA PUBLIC SCHOOLS

Operations Department

Memorandum

TO: Lisa Abbey

FROM: Harry Lau

DATE: June 4, 2014

SUBJECT: Recommendation to Award Bid for Concrete Replacement

I am recommending and seeking approval to award the Concrete Replacement Bid to Aland Construction of Dearborn Heights, Michigan. Three (3) vendors participated in the bid and the results are as follows:

Aland Construction – Dearborn Heights, MI	\$62,916.00
Audia Concrete – Milford, MI	\$87,288.00
McCarthy Construction – Commerce Twp., MI	\$91,610.00

Rational: Aland Construction is the low bidder and has completed the same type of work for Livonia Public Schools in the recent past. The Maintenance and Operations Departments have confidence that Aland will perform well again for this project.

If you have any questions, please call me. Thank you.
