MEET AND CONFER**

(Philosophy)

The Governing Board of Mingus Union High School District No. 4 and its employees believe that providing a quality education for students is their mutual goal. The group recognizes that this goal is best achieved through open communications, mutual trust, understanding, and cooperative efforts of the Board and the staff. It is essential that all parties trust that District resources will be utilized in a way that will provide positive working conditions for employees while nourishing and protecting the welfare of the students.
