

REQUEST FOR APPROVAL OF MEMORANDUM OF UNDERSTANDING BETWEEN ECTOR COUNTY ISD AND ANGELO STATE UNIVERSITY - SCHOOL COUNSELING PATHWAY

This Memorandum of Understanding between Angelo State University and Ector County ISD is to implement the School Counseling Pathway. ECISD-approved candidates will be able to complete their Masters of Education in School Counseling coursework for Professional School Counseling through an online platform. The two-year program includes the first semester of coursework through Angelo State University and professional development through the Ector County ISD Guidance and Counseling Department. Through the rest of the program, ECISD would be able to hire these candidates as Guidance Apprentices in vacant school counseling positions.

This initiative comes at no cost to ECISD, as it will be funded through philanthropic grant donations provided by the Abell-Hanger Foundation.
