**Re:** High School Principal Report April 2025

---

Greetings from HHS!

We are in the final stretch of the school year as we complete State Assessments and gear up for graduation in May. This month is our ISAT assessment month. We will be testing Juniors on April 15th (Math/ELA) with all Freshman and Sophomores on April 16th and 17th (Math/ELA). Juniors will complete their Science ISAT on April 22nd. During the 4th quarter we are implementing our Tier Time on Wednesdays. This time is going to be held after 4th period and will be set aside for students that are struggling academically. It is time that is set aside so students can work on courses that they are struggling in or to meet with teachers that they need to get extra support from. We will start with students that are on the D/F report. This list may include more students in the future based on performance on assessments.

This month our PBIS theme is Positive Attitude as we revisit each of our themes during the second semester. The District themes of being Respectful, Responsible, Safe, and having a positive attitude are all characteristics that we feel are important to the success of our students both now and as they transition into life beyond high school.

As always, we are truly blessed to be here and to be a part of HHS!

Matt Holtry
