Administrator/Staff: Casey Alderson

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

This planned course statement will allow us to articulate our Honors Speech class with Rogue Community College and give our students college credit for Speech 111.

Provide history/background information on your proposal:

This course has been taught in the past, but has now been refined to a point where updating the planned course statement was necessary. This gives our students the opportunity to earn college credit for free, while in high school.

List the advantages of your proposal:

Students earn college credit for free by passing the course

List possible disadvantages of your proposal:

None
