Statistical Reporting and Confidentiality of Drug Test Results The testing laboratory shall not release any statistics on the rate of positive drug tests to any person, organization, news publication or media without expressed written consent of the Lakeland Joint School District 272 Board of Trustees. However, the lab will provide the building principal and Board of Trustees with a quarterly report showing the number of tests performed, rate of positive and negative tests, and what substances were found in the positive urine specimens. Under this drug testing program, any staff coach, or sponsor of Lakeland Joint School District 272 who may have knowledge of the results of a drug test, will not divulge to anyone the results of the test or the disposition of the student involved, other than in the case of a legal subpoena being made upon that person in the course of a legal investigation. It is the express intention in the adoption of this policy/program to maintain confidentiality
