\*Please note: While we are happy to add to your policy manual any unique district policies provided by your district from whatever source, we are not able to provide suggested updates to those policies. Your district will be responsible for forwarding any necessary updates along with your response to PRESS Plus Issues. Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.
