Dear Mr. Guerrero,

My name is Octavio Salazar, and I am reaching out as the point of contact regarding our previous communication with Dr. Gutierrez before the Superintendent Leadership transition.

We were in discussions with Dr. Gutierrez about obtaining portable buildings to support the expansion of our CATE (Career and Technical Education) program at Santa Rosa ISD. Given the transition in leadership, I would like to inquire about the steps and requirements you would need to continue and finalize this process.

Could you please provide guidance on the necessary steps, documentation, or any other information needed to move forward with our request for portable buildings? We are eager to proceed and ensure the success of our CATE program expansion.

Your assistance in this matter is greatly appreciated, and I look forward to your guidance on the next steps.

Thank you for your time and consideration. Cell: 956-873-0757

Respectfully,

O. Salazar
