PURPOSE OF THE STUDENT HANDBOOK

The purpose of this Student Handbook is to provide an overview of:

1. the general principles that form the foundation of the HHS Honor Code
2. our expectations for all student behavior
3. the consequences of inappropriate behavior

All Heartland High School students play a major role in setting a positive atmosphere in which to learn, develop, and achieve both academically and socially. Behavior that is disruptive to the educational process, inconsiderate of others, or illegal, will be subject to disciplinary action. The specific consequences, as outlined in this handbook, will be assigned by the principal or designee.

The McCall-Donnelly School Board regularly reviews and updates district policies. For the most recent version of printed policies, please consult the district website.

ADMISSION TO HEARTLAND HIGH SCHOOL

Heartland High School is classified as an alternative school by the State of Idaho. Students are required to show eligibility for enrollment. To attend is a privilege, not a right. Failure to maintain positive academic and behavior status as defined in the student contract may result in being dropped from the enrollment.

CLASS EXPECTATIONS

Heartland High School is governed by the McCall-Donnelly School District Policies and Rules. However, the teachers may establish rules and procedures for his or her classroom. Students are expected to observe those rules and to respond promptly to the direction of the adult in charge the first-time direction is given. Failure to comply with these provisions may result in a variety of consequences including but not limited to parent conference, loss of privileges, in school suspension, out of school suspension, or expulsion.

Teachers will insist that students:

1. Demonstrate respect and consideration for others
2. Arrive to class on time
3. Be prepared for class with all necessary materials and completed assignments
4. Demonstrate consideration for school property and the property of others

*Students receiving "F's" in two consecutive or concurrent courses, and/or absent for 10 or more consecutive days may be dropped from enrollment and **may** need to re-apply for admission.

STUDENT RIGHTS (Board Policy 3200)

All students between the ages of five and twenty-one have a basic right to attend school. This right is inherent; it is not a privilege granted to the students. It is recognized that a student's primary and fundamental purpose in attending school is to engage in learning and his or her cooperation and dedication is fundamental to quality education as outlined in district policy 3200.

RIGHTS

1. All students have an equal right to education opportunities.
2. Students are allowed their constitutionally protected rights of free speech, due process, petition and assembly, as long as they do not disrupt the educational process of the school or interfere with the property or constitutional rights of others.

RESPONSIBILITIES

All students who attend the district's schools shall comply with the written policies, rules, and regulations of the schools; shall pursue the required course of studies; and shall submit to the authority of staff of the schools, subject to such corrective action or punishment as the school officials determine.

STUDENT INTERACTION REPORT

To report an incident that happens at school, students complete a Student Interaction Report in the front office. These sheets are reviewed by the principal and discussed with the student.

ATTENDANCE PROCEDURES (Board Policy 3122)

Class time is viewed as a valuable learning experience. Students are strongly encouraged to be present at each session to fully participate in group and individual activities which form the vehicle for increased learning. Absences deprive students and class members of the extended learning which takes place in the group setting. The staff and administration of HHS expect all students to be in class every day. Participation in each class and group session contributes to the well-rounded education which HHS works hard to provide.

Laws of the State of Idaho specify that parents have the primary responsibility of ensuring the attendance of their children at school. They further state that students shall be regular and punctual in their attendance (Board Policy 3122). The official record of attendance is the classroom teacher's electronic roll database.

PHONE VERIFICATION OF ABSENCES

Students who are absent from school are required to have telephone or email verification from the parent or guardian within 48 hours after returning to school. Failure to verify the student's absence shall result in an unexcused absence and truancy. Parents may call the office (208-634-3686) and leave a message after school hours to excuse their child's absence prior to the absence or the day he/she returns to school.

CLASSIFICATION OF ABSENCES

- Excused
Any absence from school with parent permission, verification required as per above.
- Unexcused / Truant
Returning following an absence without parental excuse or leaving a class or campus without permission.
- School Related
Field trips, extracurricular activities and other school-planned activities off campus.
- Extraordinary
Any absence beyond the scope listed above.

ATTENDANCE POLICY

The staff and administration of Heartland High School expect all students to be in class every day. Class time is viewed as a valuable learning experience. Students are expected to fully participate in group and individual activities.

LOSS OF CREDIT DUE TO ABSENCE

A student may miss no more than six (6) class periods of a given class. On the seventh (7) absence the student shall lose academic credit for that class. Exceptions to this policy are school related or extraordinary absences as defined in policy.

Our experience has shown that it is very difficult for students to successfully "make up" missed work. It is also difficult for teachers to replace instruction missed when a student is absent. However, to account for extraordinary absences, teachers have the discretion to make arrangements with students when excessive absences occur. In the event of such a request, a student's punctuality, participation, effort and grades will be the primary factors in the consideration of the request. Students may use the Appeals Process if an agreement cannot be reached with the teacher. (See Appeals Process below)

APPEALS PROCESS

- Students may make an appeal to the school at the time of loss of credit or being dropped from enrollment. Students may be allowed to stay in class as long as all behavioral and academic standards are being met. All attendance appeals must be made in writing to the principal within three (3) school days following notification.
- An appeal meeting should be held as soon as possible. The appeal meeting shall consist of the student, teachers, the principal, and the parent/guardian. The purpose of the meeting is to provide the student with an opportunity to appeal to stay enrolled and/or to receive credit for a class. At the appeal meeting, the teacher will provide information regarding the student's classroom performance, behavior, and attendance. An appeal decision will include a review of information regarding the student's punctuality, participation, effort, and grades and shall become a factor in the outcome of the appeal. The appeal decision will be made by the committee.

MAKEUP WORK

Makeup work will be allowed for an excused absence. The student is responsible to make arrangements with their instructor(s) for make-up work the day they return to school from any absence. For one day absence from class, the student has two (2) class days to make up the missed work. In the event a student has two (2) or more consecutive absences from a class, they are responsible to make arrangements with their instructor(s). Students with an unexcused absence may receive a “zero” in that class for the day. Board policy 3310 allows students who have been suspended to make up work for credit in a timely manner set by their teachers.

EXTRAORDINARY ABSENCES

It is understood that extraordinary absence causes course difficulties for both the student and the teacher. Therefore, prior to the absence (unless the absence is an emergency of illness or bereavement) the student, together with parent(s)/guardian(s), will meet at a time which is determined by the teacher and agreeable to all parties.

1. Extended illness, accident, or health issues (physician verification required)
2. Physical or neurological handicap (physician verification required)
3. Pregnancy & related complications (physician verification required)
4. Educational travel programs sanctioned but not necessarily sponsored by the school district
5. State, regional, national competitions (academic, athletic, fine arts)
6. Bereavement
7. Family travel / travel abroad procedures

After discussion and consideration of the student's class standing, previous absences and ability to work outside the class, the teacher shall determine what action is to be taken. The following options will be available:

1. The teacher determines when and for how long the student shall meet with the teacher either prior to or after the absence; or
2. The teacher suggests that a tutor be employed by the parent(s)/guardian(s) to assist the student in his/her absence to complete course work assigned by the teacher; or
3. The teacher suggests that the student enroll in an on-line or correspondence course approved by the McCall-Donnelly School District.

The responsibility to comply with the results of the meeting among student, parent(s)/guardian(s), and teacher rests with the student and parent(s)/ guardian(s). Any expense incurred in employing a tutor or enrolling in an on-line or correspondence course shall not be the responsibility of the McCall Donnelly School District. Should the student fail to satisfactorily complete the work as judged by the teacher (except in the case of on-line or correspondence class, which will be judged by the offering institution), the student shall not receive credit for the course.

It is to be noted that parent(s)/guardian(s) and students realize that the classroom grade prior to an extraordinary absence may be affected due to the student's extended absence, even when arrangements are made and work is made up.

PREARRANGED ABSENCES

Students that know in advance that they will be absent from a class for an extended period of time or a few days should ask their teacher for homework prior to the absence. Be prepared to take tests and turn in assigned projects upon r return to school. Those students planning an extended absence of a week or longer should make arrangements with the Secretary or Principal at least 5 school days before leaving. A meeting may be set up including teachers, principal, student and parent(s) to discuss plans, determine how work can be assigned and made up, and the impact this absence will have on progress towards credits earned.

Days not counted against the attendance policy are:

- School approved activities (class, club, athletics, etc.)
- Out of school suspension
- Religious holidays (student & parent need to make the school aware)
- School sponsored field trips
- Counseling
- Student college visitation (limit of two days to be used either junior or senior year & pre-approved through the attendance office)

EXCESSIVE TARDIES AND CONSEQUENCES

Students need to develop a habit of promptness for present and future use. Arriving to class on time allows lessons to begin on time, limits distractions to the entire class by late arrivals, and avoids loss of instructional time.

A tardy is defined as being late to class, up to fifteen (15) minutes, for any reason. Any student who arrives to class after the first fifteen (15) minutes of class will be recorded as absent. The individual teacher will assign detention on the student's third tardy, and students will receive an additional detention assignment for each subsequent tardy. Excessive tardiness will be referred to the principal. Staff who detain a student and cause them to be tardy to their next class shall write a note and send it with the student to give to their teacher. This would not be recorded as a tardy. Any late arrival to school requires students to check in to the office.

After three tardies per class, the student will be required to stay on campus during lunch for "closed campus". Fourth tardy per class will result in "closed campus" for three consecutive days. Fifth tardy per class will result in "closed campus" all week. Sixth and any additional tardies will result in a parent conference and two weeks of "closed campus" during lunch.

TRUANCY AND CONSEQUENCES

Truancy is an absence from one or more classes without parent, teacher or administrative permission. Students who cut a class or part of a class, and remain on campus or leave campus, shall be considered truant. Truancy may result in a zero for the day in that class, with no makeup allowed for credit and two-day detention assignment.

How to Check Out

When students are dismissed during the school day, their absence falls under the attendance policy. It is strongly suggested that parents come to school and personally sign out their child for an emergency dismissal. Students will be released only to their legal parent/guardian. Students must check out, with permission, at the main office before leaving campus. Students who do not return after lunch must have their parent or guardian verify the absence. Failure to do so is considered truancy.

To check out properly, a student must:

1. Go to the office and request to sign out, with permission, on the checkout sheet
2. Call a parent/guardian and have them speak with office personnel giving permission to leave, or:

Students who do not return to school after lunch must have signed out with permission before lunch or have their parent/guardian call the school.

Failure to follow this procedure will result in a Truancy/Unexcused Absence.

FINALS WEEK ATTENDANCE

Students are discouraged from checking out of school at any time during finals week the second semester of the school year. Should a student leave early without prior arrangements/permission, the student may receive an "incomplete" and have to return later to make up finals.

CONSEQUENCES OF INAPPROPRIATE BEHAVIOR

If a student violates the rules of Heartland High School, certain consequences will follow. The specific consequences will be determined on the basis of the severity and/or frequency of the offense. HHS does not administer corporal punishment. The selection of the appropriate consequence is at the discretion of the principal. The student's parent/guardian will be informed of the disciplinary consequence the student receives.

Please note: all consequences must be completed before the end of the quadmester in order to begin final exams as scheduled.

DETENTION

Students may be assigned a detention after school or during lunch, not to exceed 30 minutes on any given day. Detentions are held Monday–Thursday. The sole activity permitted during detention is silent study. Failure to complete detentions may result in in-school suspension.

Detention Procedure

- Students will have the option to serve detention the day it is given or the day after.
- Students must attend detention and be punctual.
- Students must bring work to do at all detentions.

If a student fails to serve the assigned detention, the student may be given in-school suspension.

IN-SCHOOL SUSPENSION

The length of an in-school suspension assignment may vary from one period to five school days. If a student is given an in-school suspension, the student must report to the office no later than 8:00am and remain there until 2:50pm or until the end of the student's last scheduled class. The sole activity permitted in this room is silent study. All of the provisions listed under "expectations for classroom behavior" apply to in-school suspension. In addition, the student:

- will be allowed to leave the room only during specified restroom breaks;
- must bring lunch;
- must complete all assigned course work

Failure to comply with these provisions will result in a parent conference and/or out of school suspension.

OUT OF SCHOOL SUSPENSION

According to the Idaho School Code, a student may be suspended for up to five days for gross misconduct and disobedience. IF A STUDENT IS SUSPENDED FROM SCHOOL, THE STUDENT MAY NOT BE ON CAMPUS OR ATTEND ANY SCHOOL FUNCTION FOR ANY REASON UNLESS PRIOR ARRANGEMENTS HAVE BEEN MADE WITH THE PRINCIPAL. The district is permitted to impose suspension from school during an appeal period not to exceed 10 consecutive days or until the appeal is decided.

LONG TERM SUSPENSION

The denial of the right of school attendance for any single class or any full schedule of classes for a stated period of time in excess of three (3) days by recommendation of the Superintendent.

EXPULSION

The denial of attendance at any single subject or class or at any full schedule for an indefinite period of time. (School Board of Trustees' action)

EMERGENCY SUSPENSION

In an emergency situation, the Superintendent or his/her designee may suspend a student immediately.

BEHAVIOR MANAGEMENT (Board Policy 3300)

Students are expected to conduct themselves in such a manner as not to interfere with the orderly operation of the educational program. The Board holds a philosophy that the resolution of student behavior management problems requires the active cooperation and participation of parents and/or guardians. Parents share in the responsibility for the actions of their children and the Board expects behavior management procedures to actively involve parents.

EXCEPTIONAL MISCONDUCT

- Exceptional misconduct may include but is not limited to:
- Prohibition of Weapons (BP 3310)
- Student Drug, Alcohol and Tobacco Use (BP 3315)
- Harassment, Intimidation and Bullying (BP 3320)
- Sexual Harassment, (BP 3322)
- Theft or Destruction of School Property (BP 3325)
- Assault, Battery or Threats (BP 3330)
- Gang Activities (BP 3335)
- Disruptive conduct, which may include vulgar and profane language, images or gestures in any form that are offensive to others
- Insubordination
- Habitual truancy as defined by Idaho Code 33-205 and 33-206
- Habitual tardiness
- Academic dishonesty
- Inappropriate technology use
- Bomb threats or activating school fire alarm without appropriate cause
- The forging of any signature, the making of any false entry, or the authorization of any document used or intended to be used in connection with the operation of the school

DRUG, ALCOHOL and TOBACCO USE (Board Policy 3315)

Students attending school in this district will not use, ingest, possess, sell, buy, or distribute drugs, including alcohol, tobacco, simulated tobacco, vaping products, inhalants, controlled substances, or related paraphernalia, on school premises.

Any student will violate the district's drug, alcohol, and tobacco use policy when the student:

- is on school premises, evidencing behavior that creates a reasonable suspicion that may be illegally under the influence of drugs;
- admits to using, possessing, selling, buying, or distributing drugs on school premises;
- is found to use, ingest, possess, sell, buy, or distribute drugs, or related paraphernalia, on school premises;
- is found to possess drugs, or related paraphernalia, or to have such substances on their person, or in their locker, vehicle, or other property on school premises;
- is found to knowingly attempt to use, ingest, sell, buy, or distribute drugs or related paraphernalia on school premises;
- is found to knowingly be present when drugs or related paraphernalia are being used, ingested, sold, bought, or distributed on school premises.

DEFINITIONS

"Controlled substances" include, but are not limited to, opiates, opium derivatives, hallucinogenic substances, including cocaine, methamphetamines, and cannabis and synthetic equivalents of the substances contained in the plant, any material, compound, mixture or preparation with substances having a depressant effect on the central nervous system, stimulants, or any other substance deemed unlawful by Idaho state statute.

"Drug" includes any alcohol or malt beverage, any tobacco product, simulated tobacco products, vaping products, inhalants, any controlled substance, any illegal substance, any abused substance, any substance which is intended to alter mood, and any medication not prescribed by a physician for the student in possession of the medication.

"Reasonable suspicion" means an act of judgment by a district employee or independent contractor that leads to a reasonable and prudent

belief that a student is in violation of this policy or the “use” or “under the influence” provisions of Idaho Code Section 37-2732C, which defines controlled substances. Such act of judgment is based on the employee’s or independent contractor’s training in recognizing the signs and symptoms of alcohol and controlled substance use. The fact that a student has previously disclosed use of a controlled substance will not be deemed a factor in determining reasonable suspicion at a later date.

ALCOHOL OR CONTROLLED SUBSTANCES: REFERRAL TO LAW ENFORCEMENT

- Any student exhibiting inappropriate behavior that suggests “using” or “being under the influence” of alcohol or controlled substances will be immediately escorted by a district employee to an administrative office for interviewing and observation by the principal, or designee. Except in the case of an emergency, the student will not be left unattended and will not be allowed to leave the school premises.
- Once a student is reasonably suspected of being in violation of the law and this policy regarding alcohol or controlled substances, the building principal or designee will immediately notify the student’s parent or guardian and report the incident to the local law enforcement agency.
- District employees will cooperate fully with any law enforcement investigation of a violation of this policy, including, but not limited to, providing access to lockers, desks, and other school property, and providing oral and/or written statements regarding the relevant events.
- Suspension/Expulsion: Students who violate this policy will be suspended by the principal. Suspension for the first offense of this policy will be for three to five (3-5) days, unless extraordinary circumstances exist. The time period for suspension for the second or third offense will be determined at the discretion of the principal and/or the superintendent. The principal and/or the superintendent will determine whether or not the suspension will be served in school or out of school.
- If deemed appropriate by the superintendent, He/she may request that the board expel a student who has violated this policy for a second or third offense.
- Drug, Alcohol, and Nicotine Assessment/Treatment: The terms of the suspension and/or conduct contract may be modified, at the discretion of the principal or superintendent, if a student who has violated this policy voluntarily completes a drug, alcohol, and tobacco education course and/or undergoes assessment and treatment for drug, alcohol, and tobacco abuse.

APPROPRIATE LANGUAGE

Students are expected to use appropriate language both in the classroom and corridors while in school. Students using inappropriate language will be referred to the office. A minimum after school detention will be issued. Profanity directed at a staff member shall result in a minimum in school suspension.

ASSAULT, BATTERY, AND THREATS (Board Policy 3330)

This district prohibits students from committing acts of violence against other students, district personnel, or other persons. Any assault or battery by a student on an employee of this district, another student, or other person, occurring on or near the school grounds or at a school sponsored event or on school sponsored transportation will result in the student being disciplined. (see Range of Consequences, BP 3300)

Further, any person, including a student, who, while on school grounds, willfully threatens, by word or act, to use a firearm or other deadly or dangerous weapon to do violence to any other person on school grounds will be referred to law enforcement for prosecution.

CHEATING

It is expected that all students will perform their responsibilities as students in an honorable fashion. Cheating, unauthorized assistance on an exam, quiz, or project, will not be tolerated. Any student who is found to be cheating may receive a grade of zero on that assignment / test and his/her parents will be notified in writing or by phone by the teacher involved.

STUDENT ELECTRONIC DEVICE POLICY (3265)

ELECTRONIC EQUIPMENT, COMMUNICATION, AND ELECTRONIC DEVICES

Students are not allowed to use their cell phones during class time. All phones must be in silence mode, turned off and/or turned into the office (upon teacher request).

Electronic devices which disrupt the educational process are forbidden. All electronic devices used during instructional blocks without the permission of the teacher will be confiscated until the end of the school day. On subsequent offenses, the devices will be confiscated until picked up by a parent/guardian. Communication devices must remain off and not in use during instructional blocks. The use of

communication devices will be permitted before and after school, during passing periods, and lunch.

Although McCall-Donnelly School District ("MDSD") recognizes the importance of technology in the educational setting, electronic communication devices, such as cell phones, pose a significant distraction to the learning environment. A growing body of evidence suggests that student access to cell phones and other electronic communication devices is detrimental to student's emotional well-being and academic growth. Therefore, the use of electronic communication devices at school is prohibited, unless otherwise noted in this policy.

DEFINITIONS

For the purposes of this policy, the following definitions will apply:

Device: All personal electronic communication devices including but not limited to cell phones, smartphones, smartwatches, earbuds, headphones, video recording devices, personal digital assistants (PDA), iPods, iPads, laptop computers, tablet computers, and other similar electronic devices.

School Day: Elementary and Middle School entering the building threshold before school to the end of the day school dismissal bell, which includes class periods, passing periods, free periods, lunch periods, recess, and any activities or assemblies.

High school from the official school start time from the end of the day school dismissal bell, which includes class periods, passing periods, free periods, and any activities or assemblies.

DURING THE SCHOOL DAY Students must keep their devices powered off, out of sight, and not in use while on school campuses for the duration of the School Day. The only two exceptions are: 1) High school students may use their devices during their lunch period and before the first bell. 2) Watches (or similar devices) may be worn as watches but cannot be "used." Any use of an electronic device required by a student's 504 Plan or Individualized Education Plan (IEP) shall be permitted regardless of whether it would otherwise violate this policy if documented appropriately in the student's individual plan. Students may use a personal electronic device in case of an emergency to contact help. In this policy, an emergency is an event that poses an immediate threat to the health or safety of any person or a risk of damage to property. To be clear, students may use district-issued devices (i.e., laptops) during the School Day.

CONSEQUENCES If a student's device is turned on, in use, or used during the School Day, the device may be confiscated by a McCall-Donnelly School District employee and may be retrieved from the school's front office by the student or retrieved by the student's parent/guardian at the end of the School Day. Students may be asked to call their own parents to communicate the loss of the phone to ease the responsibility load on office staff. Students who continually wear watches (or similar devices) that continue to be "used" as a PED, may have watches confiscated as well or not allowed on campus altogether.

COMMUNICATION WITH PARENTS Parents should not expect to communicate directly with their children using their devices during the School Day. Parents who need to communicate with their child in case of an emergency should call the school office and communicate with school personnel about the nature of the emergency. As appropriate, this will then be communicated to the student impacted by the emergency. If necessary, students may request permission from a teacher, front office staff member, or other McCall-Donnelly School District employee to utilize a school phone to call parents/guardians during the School Day.

CONDUCT Students may not use devices (nor district-issued devices) in any manner that disrupts the educational environment, violates student conduct rules, or violates the rights of others. This includes, but is not limited to, the following:

Using any device (or district-issued device) to take photographs in locker rooms or bathrooms

Cheating

Creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction or non-consensual dissemination of private sexual images (i.e., sexting)

Inappropriate use of any Device (or district-issued device) at other school activities or events, on or off campus, either during or outside of the School Day.

TESTING A student participating in AP testing, state testing, or any other testing must turn off all devices and store them away from the testing area. Students who do not comply may be disciplined up to and including expulsion, invalidation of the student's test, and possibly the invalidation of other students' tests. Smart Watches (or similar devices) may be asked to be removed during testing

periods. Smart Watches and similar devices may be required to be removed during testing periods to ensure a fair and uninterrupted testing environment.

RESPONSIBILITY McCall-Donnelly School District is not responsible for the loss, theft, or damage of any device brought to school. If the device is confiscated for violation of McCall-Donnelly School District policy and/or procedures, the district and its employees shall not be responsible for safekeeping, loss, or damage. School officials may investigate or require a student to cooperate in an investigation if there is specific information about activity on the student's device or account on a social networking website that violates a school disciplinary rule or policy. During an investigation, the student may be required to share the content that is reported to allow school officials to make a factual determination. This policy will be strictly and fairly enforced by all district personnel.

FOLLOWING DIRECTIONS

Students are encouraged and expected to conduct themselves in a reasonable manner. Students are expected to follow requests and directives of staff members. Failure to do so will be considered insubordination and discipline will be imposed.

FORGING OF NOTES

Any student who forges any type of note or pass will be issued a minimum of after school detention.

THEFT (Board Policy 3325)

Any student who steals, destroys, or defaces school district property, or the property of another individual located at a school site, will receive prompt and decisive disciplinary action, which may include, but is not limited to, suspension or expulsion. If circumstances warrant, the student may be referred to the local law enforcement agency.

The student and his or her parent/guardian will be held responsible for restitution to the full extent of the laws for any damage to school district property.

VANDALISM OF SCHOOL PROPERTY

Willful destruction or misuse of school property (books, desks, chairs, lockers, computers, etc.) is prohibited. Those apprehended will pay for the damage and could be assigned a short-term suspension. In addition, a student may be assigned a work detail. Students are responsible for textbooks and materials either checked out to them or used in class and must ensure proper care. Any book lost or defaced will result in the student paying for said item with payment being made to the School District. Transcripts and all school records will be withheld until all obligations are met.

WEAPONS, FIREWORKS, DANGEROUS INSTRUMENTS (Board Policy 3310)

The Board desires students at school to be free from the fear and danger presented by firearms, fireworks, and other weapons. The Board prohibits students from possessing weapons, fireworks, replicas of weapons, or dangerous instruments of any kind in school buildings, on school grounds or buses, or at any school-related or school-sponsored activity away from school unless written permission has been obtained from the Superintendent or designee.

Any school employee may confiscate any weapon, firework, dangerous instrument, or replica from any person on school grounds under the power granted to the Board to maintain order and discipline in the schools and to protect the safety of students, staff, and the public.

Students' possessing, exhibiting, or threatening others with a weapon, replica of a weapon, firework, or dangerous instrument may be suspended or expelled pursuant to Board Policy 3310.

DEFINITIONS

"Possess" is defined as bringing an object, or causing it to be brought, onto the property of a school, or onto a vehicle being used for school-provided transportation, or exercising dominion and control over an object located anywhere on such property or vehicle. A student will be determined to possess a weapon when the item is found to be in any of the following locations:

On a student's person;

- In the student's personal property, including, but not limited to, the student's clothing, backpack, purse, or any other item the student transports or carries and/or causes to be transported or carried to school;

- A vehicle parked in the school parking lot which the student drives and/or is transported in,

- The student's locker, or
- Any other school-related or school-sponsored event, regardless of location.

"Deadly or dangerous weapon" means a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocket knife with a blade of less than 2½ inches in length as defined in 18 U.S.C. Harassment, intimidation, and bullying are disruptive to a safe school environment and will not be tolerated.

All other persons, including students, parents/guardians, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy.

The consequences for a person who engages in reprisal or retaliation may include, but are not limited to, suspension and expulsion. Annually, the district shall report bullying incidents to the SDE in a format as set forth in rule by the state board.

"Harassment, intimidation, or bullying" means any intentional gesture or any intentional written, verbal, or physical acts or threats against another student that:

A reasonable person under the circumstances should know that the action will have the effect of

- Harming a student;
- Damaging a student's property;
- Placing a student in reasonable fear of harm to his or her person; or
- Placing a student in reasonable fear of damage to his or her property

Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening or abusive educational environment for a student. An act of harassment, intimidation or bullying may also be committed through the use of a land line, car phone, or wireless telephone or through the use of data or computer software that is accessed through a computer, computer system, or computer network.

DISCIPLINARY ACTION

Students who engage in harassment, intimidation, or bullying will be disciplined as determined appropriate, up to and including suspension and/or expulsion. Consequences for school employees who engage in such conduct may include suspension and/or termination.

Each school will take prompt and effective steps reasonably calculated to end the harassment, intimidation, or bullying; eliminate any hostile environment and its effects; and prevent the harassment from recurring. Appropriate steps to end harassment may include separating the victim and the perpetrator or providing counseling for the victim and perpetrator.

SEXUAL HARASSMENT/INTIMIDATION OF STUDENTS

It is the policy (3322) of the McCall-Donnelly School District to maintain a working and learning environment for all its employees and students which provides for fair and equitable treatment including freedom from sexual harassment. Sexual harassment will not be tolerated, and students are advised to contact any teacher, counselor, or administrator to report such actions.

The definition of sexual harassment is not necessarily limited to unwanted verbal or physical sexual behavior of staff toward student, student toward staff or student toward student. Period 1: 8:00 am - 9:30 am

Period 2: 9:35 am - 11:05 am

LUNCH: 11:05 am - 11:40 am

ACADEMIC CURRICULUM

Academic curriculum will generally be organized in approximately sixty (60) hour blocks of instruction. The academic core classes will contain material substantially equal to that provided by a conventional high school. Heartland High School will utilize the adopted McCall-Donnelly School District Curriculum. Academic core curriculum may also be delivered online using web-based programs. The instructional staff will carefully monitor course content to ensure that the curriculum objectives for each subject are met and mastered by students before credit is granted.

In all cases completion of approximately 60 hours of instruction plus necessary homework and research are required.

GRADUATION REQUIREMENTS

Students will graduate from Heartland High School by completing the required credits documented by the Idaho State Department of Education.

DIPLOMAS

The Heartland High School diplomas will be granted at the Heartland High School graduation ceremony and indicate that the student has completed the State of Idaho graduation requirements.

WITHDRAWAL/TRANSFER FROM SCHOOL

When students transfer to another school or drop from school, they must have permission from their parents, and they must obtain a withdrawal/transfer form from the school registrar. Students withdrawing return all books and school materials and pay any fines.

Withdrawal form must be returned to the office secretary and a check of the students' locker to see that it is cleaned out. Records will not be sent until the student has checked out of school properly and paid any fees owed.

GENERAL INFORMATION

CHANGE OF ADDRESS OR PHONE NUMBER

The school staff attempts to maintain accurate student address and telephone information. This is important to keep such data accurate so that mailings and other parent contacts can be accomplished without problems. It is the parents' responsibility to notify the school as to who should or should not receive the student's grades, records, notices, etc.

CLOSED CAMPUS

Every person should be physically, emotionally, and socially secure in an inviting, cooperative, and safe school environment. Students are not allowed to leave the campus during instructional hours without written permission from HHS staff. Instructional hours include the breaks between classes. To ensure that the school environment is safe, Heartland High School may at any time impose a Closed Campus. During Closed Campus times, students will remain on HHS school grounds during the entire school day.

18- YEAR-OLD STUDENTS

All school policies, rules, and regulations at MDHS will be followed by all students, including those 18 and older. Students turning 18 during the school year - please be advised that report cards, notices, etc. will still be addressed to the student's parent/guardian.

FINES

Students are responsible for textbooks, materials, and other school equipment; either checked out to them or used in class or school activities. Please ensure that these items are cared for properly. Any lost, stolen, or damaged school property will result in the student paying for those items.

Payment should be made to HHS. Grades, transcripts, and all school records will be withheld until all obligations are met.

FIRE DRILLS

A continuous fire bell will ring. Exit quietly and quickly to the school grounds. Everyone is to be evacuated. Close windows, turn off the lights, and close the doors when exiting. Stay with the class and teacher once outside the building. A signal will be given to denote the completion of the drill and the ability to return to class. If you should discover a fire, report it immediately to a staff member.

GUARDIANSHIP

Students under the age of 18 must reside with a legal parent or guardian. Exceptions may be granted by the administration. Forms for power-of-attorney transfer are available in the superintendent's office.

MAKE UP WORK

Students must contact teachers about make-up work and complete it within a reasonable length of time. The due date will be determined by the teacher and the student. Those students under suspension will have their assignments sent home as appropriate.

MONEY AND VALUABLES

Please do not bring large amounts of money or valuables to school. Students should see that any valuables brought to school are secure at all times. The school cannot accept responsibility for lost or stolen articles. If students must bring large amounts of money or something valuable, please take it to the High School Secretary, where it will be put into the office safe.

PARENT-TEACHER/PARENT-PRINCIPAL CONFERENCES

Parents desiring a conference with their student's teacher(s) or administration may call the school (208-634-3686) to make an appointment. The best time to meet with teaching staff is before the start of the school day or just after students are released for the day. The principal is available throughout the school day. We are available to answer any questions or concerns regarding students' progress in high school.

TELEPHONES

A student phone is available in the **student commons**. Students will not be called out of class for a call unless it is an emergency. Students are not to leave class to make personal phone calls.

TEXTBOOKS

Students are responsible for textbooks checked out to them. Lost or damaged texts will result in fines to the student. A lost textbook will cost the student whatever the replacement cost is for that text. The teacher will determine what the cost will be for damaged texts.

PART-TIME ENROLLMENT

Families considering part-time enrollment at Heartland High School while also seeking to claim the state tax credit should be aware that such enrollment may disqualify them from the credit. Families of part-time students should consult with financial advisors to understand how the tax credit option works.

STUDENT HEALTH

Heartland High School has access to a school nurse. Should a student become ill or injured at school, the student should obtain their teacher's permission to report to the office. Office personnel will attempt to contact the parent/guardian to transport the student home.

MEDICATIONS (Policy 3415)

The district nurse or a designated staff member is authorized to hold and administer medications to students, provided that the student's parent or guardian has completed and submitted an 'Authorization to Administer Medication' form to the school office.

We request that all over-the-counter and prescribed medications be stored in the nurse's office, unless the student has an IEP, 504 plan, or health care plan that specifies otherwise. Parents or guardians must deliver medications in their original pharmacy prescription containers. This includes all over-the-counter medications (e.g., cough drops, Tylenol, cough medicine, etc.). Expired medications will not be administered.

Students may be permitted to carry an asthma inhaler, EpiPen, or other equipment necessary for blood glucose monitoring. If you have any questions regarding medications or allergies, please consult with the district nurse or office staff.

MEDICAL CONSENT (Policy 3500)

Annual Parental Consent Requirement

- Treatment of minor injuries: Cuts, scrapes, bruises, and sprains.
- Management of minor illnesses: Headaches, stomachaches, colds, and fevers.
- First aid: Basic first aid for various minor health issues.

IMMUNIZATIONS (Policy 3413)

According to State Law 39-4801, Immunizations are a requirement for school entry. Please check with your child's physician to ensure that all their immunizations are up to date prior to their return to school.

Prior to Kindergarten admission there are 6 immunization requirements.

| | |

| DTaP | 5 doses |
| Polio | 4 doses |
| MMR | 2 doses |
| Hepatitis B | 3 doses |
| Hepatitis A | 2 doses |

Prior to 12th grade admission there is 1 additional Immunization requirement

| | |

| Meningococcal ACWY (MCV4) | 2nd dose |
|---------------------------|----------|

Idaho law allows a parent or guardian to claim an immunization exemption for their child for medical, religious or other reasons.

In the event of a disease outbreak, children who have claimed an exemption and have not received the immunization against that disease may be excluded from school and/or childcare.

SICKNESS/ILLNESS (Policy 3417)

If a student becomes ill or injured at school, they will be sent to the office. Parents or guardians will be contacted for significant issues. Please keep your contact information up to date.

While we encourage your child to attend school every day, there are times when your child should be kept at home to maintain their health and the safety of those around them.

Students should stay home if they have:

- Fever over 100.0°F: Stay home until fever-free for 24 hours without medication.
