## Informational Item:

### Results Driven Accountability

Results Driven Accountability (RDA) reports are a data-driven framework or scorecard used by the Texas Education Agency and the federal government to **evaluate the performance and program effectiveness of school districts.**

**This framework consists of indicators for three program areas:**

- 1. Bilingual/English as a Second Language for Emergent Bilinguals**
- 2. Other Special Populations for students in Foster Care; Homeless; and Military**
- 3. Students in Special Education Programs**

**Program data for this Accountability System are grouped in Three Domains**

- ❖ Domain I: Academic Achievement**
- ❖ Domain II: Post-Secondary Readiness**
- ❖ Domain III: Disproportionate Analysis - Only for Special Education**
