# Curriculum

## Looking Ahead...

- Review Math materials next year; update resources
- Grade School/CAPS Health materials (K-6)
- Spring '25 : Review materials for Science adoption (F'25)
- SY 2025-26 Implementation of Ethnic Studies standards in Social Sciences

# Curriculum

## Online resources:

- Continue using Discovery Education and CommonLit
- Reevaluate other online resources to be sure funding is being handled equitably between all departments and at all grade levels

# School Improvement

The Integrated Guidance document will need to be updated beginning in the fall. It will not be a rewrite of the document, but a revisiting of key points to be sure we are still on the trajectory we set forth. The MESD will assist heavily in this
