Policy Manual Customization Committee Meeting, June 21, 2016

SUBJECT: POLICY MANUAL CUSTOMIZATION – BRIAN ZUMPF, IASB

The Board of Education Policy Manual Customization Committee, consisting of Board of Education President Linda Nystrom, Board of Education Secretary Diana Stout, Board Member Melissa Slinn, Superintendent Anthony Palmisano, Assistant Superintendent for Human Resources Nancy Munoz, Assistant Superintendent for Student Services Marc Sgro, Assistant Superintendent for Curriculum and Instruction Erin Slater and Assistant Superintendent for Finance/CSBO Patricia Volling, will meet to continue the policy manual development project, with the assistance of Mr. Brian Zumpf from the Illinois Association of School Boards (IASB).

BACKGROUND INFORMATION

The Policy Manual Customization Committee will meet to edit the manual draft prior to Board adoption. Work sessions on the draft policies will continue to be scheduled over the next several months, after which the manual will be presented for adoption. The new policy manual also acts as the basis for an updated handbook that students and parents will be able to easily identify the rules that specifically affect them, including school climate, parental involvement and curriculum, as well as discipline issues.
