

## SCHOOL BOARD MEETING REPORT

**Board Meeting Date:** 19-Sep-18      **Superintendent:** Dave Valenzuela

**Administrator/Staff:** Casey Alderson

**Type of Item:**       *Informational*       *Action*

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

This request is for out of state travel for my participation with our Oregon Center of High School Success team to Chicago November 7th and 8th. We will observe some of the Chicago high schools who have been successfully implementing ninth grade on-track processes, visit with students, staff, and administrators regarding their processes and procedures with tracking students and factors that lead to their success staying on track throughout high school. These high schools have dramatically increased their graduation rates due to the tools we will receive.

**Provide history/background information on your proposal:**

Three Rivers School District was chosen as a partner for the Oregon Center of High School Success team and all costs associated with this travel is covered by OCHSS. I will travel with team members from across Oregon as they work to implement these proven strategies in our schools in Oregon.

**List the advantages of your proposal:**

There is zero cost to our district with this opportunity. The amount of information and tool kit that I will receive will be worth the small amount of time it will take to attend.

**List possible disadvantages of your proposal:**

I will be out of the office for one day.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

The alternative is that we do not participate with the team.

**Superintendent's recommendation(s):**

**Approve:**    Yes     No
