Design Principles: Critical Success Factors

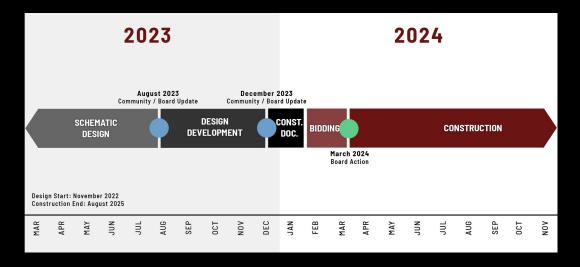

- **Safety and Security** provide a safe and secure environment for staff and students to feel warmed, welcomed and inspired
- **OPS = The Hub of the Community** The district is the heart of the community serving after school activities for both school and community
- Well Defined Entries Utilizing material, massing and transparency to clearly define student, guest and event entries
- **District Standards** Consistency in building material, finishes and branding
- Flexibility Planned for future growth
- Sustainability and Green Space Emphasis on the natural environment, bringing the outside in
- **On Budget / Financially Responsible** Ensure financial stability while being good stewards of taxpayer dollars
