April 20, 2026

Allotment and Entitlement Balances

Instructional Materials Funding Usage for School Year

	Total Funds	Funds Used	Available Funds
Instructional Materials and Technology Allotment*	\$1,082,390.96	\$411,202.35	\$671,188.61
SBOE-Approved Instructional Materials Entitlement*	\$580,360.00	\$0.00	\$580,360.00
State-Developed Open Education Resource Entitlement	\$92,190.00	\$91,599.00	\$591.00

IMTA current biennium includes SY 2025-26 and SY 2026-27.

SBOE Approved Entitlement will roll-over and be funded with an additional amount of \$40 per student after September 1, 2026.

OER Entitlement does not roll-over and will be funded at the rate of \$20 per student after September 1, 2026.

Open Educational Resources (OER) Transition Plan

School systems who are adopting Bluebonnet Learning material for the first time are required to prepare an OER Transition Plan. The plan must be adopted by the school board and kept on file. More information can be found on the [Bluebonnet Learning page](#).

Materials List

The committee, which included members of the C&I Department and 6th-12th Math grade teachers, reviewed several new materials and recommend a four-year purchase of the following:

6th – 8th grade Math – Envision+ Texas Mathematics; Savvas
Algebra I – Texas Algebra I; Agile Mind
Algebra II – Envision+ Texas Mathematics; Savvas
Geometry – Envision+ Texas Mathematics; Savvas
Pre-Cal – Texas Precalculus; McGraw Hill

ANNUAL CERTIFICATION OF PROVISION OF INSTRUCTIONAL MATERIALS

Texas Education Code 31.1011 requires LEAs to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all TEKS for all required subjects, except PE.

G-PISD 2026-27 Certification
