**Re: RFP #298 - 3-Year Asbestos Re-inspection and Management Plan Update –
AHERA Requirement**

Proposals were solicited from eight businesses for the 3-Year Asbestos Reinspection and Management Plan Update. There are 10 buildings that require reinspection and four updated buildings that require management plans. One quote was received in response to the School District's request. Arrowhead Consulting and Testing Inc. 5606 Miller Trunk Highway Hermantown, MN 55811 submitted a proposal for \$24,500 with a unit sample cost of \$15.00 per sample.

It is recommended the Duluth School Board approve entering into a contract with Arrowhead Consulting and Testing Inc. based on their history with asbestos inspections and their proposal as provided in response to RFP #298 – Asbestos 3-Year Reinspection and Management Plan Update.
