LAKE BLUFF SCHOOLS	DATE:	June 18, 2024
DISTRICT 65	RE:	Disposition of District Property

## **Administrative Action**

Administration will dispose of the 1,357 books from the elementary school library on the attached list primarily by recycling. After contacting several organizations, the books are unable to ne donated, however some books were taken home by students.

#### **Background**

Administration is required to notify the board, per Policy 4:80, of District personal property or real estate that is no longer needed for school purposes, so that the Board can consider its disposition. However, the administration may unilaterally dispose of personal property of a diminutive value.

### **Current Situation**

The academic libraries at both schools are periodically weeded based on standards set forth by the American Library Association. Our schools employ the MUSTIE methodology for weeding, culling book considered Misleading, Ugly, Superseded, Trivial, Irrelevant, or that can be obtained Elsewhere).

Picture books were weeded last year, the majority of which went to Catholic charities. The quantity of books removed were less than half of this year's total.
