Memorandum of Understanding
Texas Instructional Leadership Training Packages
Data Driven Instruction

Data-Driven Instruction (DDI), a training designed to support campus and district leaders as they seek to rapidly determine misconceptions in student learning and design effective reteach plans to close learning gaps, blends the practices and principles in Paul Bambrick-Santoyo *Driven by Data 2.0: A Practical Guide to Improve Instruction* with Leverage Leadership 2.0: *A Practical Guide to Building Exceptional Schools*.

DDI is intended to provide campus and district leaders opportunities to develop proficiency in analyzing and responding to student work in order to deliver more effective instructional practices in every classroom.

The three cycles of Data Driven Instruction will be completed during the 2023 school year.

ESC-2 is a TEA vetted provider of TIL Trainings for schools seeking a capacity builder.

The Education Service Center, Region 2 will provide the following:

1. Five sessions of face-to-face professional development
2. Implementation and coaching support
3. Required resources: *Driven by Data 2.0: A Practical Guide to Improve Instruction* and *Leverage Leadership 2.0: A Practical Guide to Building Exceptional Schools*

The Local Education Agency agrees to:

1. Send Principal Manager, Principal and Instructional Assistant Principals to all face-to-face professional development
2. Schedule implementation and one-on-one coaching support with ESC-2 staff
3. Provide a PO for the total cost of the training series
