Re: November, 2014 Report

- 1. Title I and State Compensatory Education** –Currently we have 292 students who qualified for this program. This number drives our funding for Title 1 and SCE.
- 2. Edwards Risk Management Webinar** – Mr. Thompson and I participated in the webinar to decide which management software is the best decision for Sunray ISD. We decided to continue with Rem4Ed.
- 3. 504 Meetings** – I attended three (3) §504 meetings during the month of November.
- 4. PBMAS** – Mrs. Hund and I collaborated to complete the PBMAS plan for Special Ed participation in STAAR Modified and increase special education participation with inclusion. In addition, we planned for improvement in ESL.
- 5. Operations Report for Transportation** – Chad Ely and I completed this report for TEA.
- 6. Nutrition Report for Department of Agriculture** – Mrs. Brooks and I completed and submitted this report to the TDA.
- 7. TETN on STAAR Alternative and Accommodated** – Mrs. Stringer and I viewed this TETN to insure that we are knowledgeable on the requirements for these tests.
- 8. Public Information Request** – We received a public information request concerning our e-rate and technology. I was able to collect and fill the request.
