Re: Installation of Poles and Lights in Putnam County High School Parking Lot

Dear Chris Covert (Ameren IL Field Eng. Rep):

This letter certifies that the Putnam County Community Unit School District #535 Board of Education approved the installation of poles and lights at Putnam County High School as recommended in the diagram below at the regular meeting on December 16th, 2025. This installation includes four (4) poles and six (6) lights.

Coordination of this project should be done with Mr. Tracy Reaska, Director of Facilities.

On behalf of the Board of Education, we sincerely appreciate the partnership with Ameren to provide lighting to this space and enhance its safety.

Sincerely,

Dr. Clayton J. Theisinger
Superintendent
