Re: Policy Update CQ (Local) & EIA (Local)

Proposed revisions recommended for local policy regarding the use of AI/Artificial Intelligence.

Legal policies are not adopted by the Board and provide a legal framework for key areas of District operation. Local policy revisions require Board action. These revisions are recommended to address the use of artificial intelligence.

Proposed Revisions:

EIA (LOCAL)- Technology Resources

CQ (LOCAL)- Academic Achievement Grading/Progress Reports to Parents

RECOMMENDED BOARD MOTION: I move that The Board approve the revisions to local policy as recommended.
