SUBJECT: Request to Purchase Read 180 Teacher & Student Digital Licenses

The Special Education Department is requesting to renew Read 180 Teacher and Student Digital Licenses as the licenses require an annual subscription to access the online instructional components of the Read 180 program. Read 180 is a reading intervention program utilized in special education classrooms in our junior high schools. The cost for three years includes both the Read 180 (Comprehension) and System 44 (Core/Foundational Skills). Previously, System 44 was an additional cost for update (approximately \$46,000 in 2018). The cost proposal for license purchases is \$110,054.95 for a three-year renewal. This cost also includes ongoing professional development and district-level data to support the professional learning community. Thank you for your support of our special education students.
