**FOR ACTION**

**Subject:    Approval of Student Ambassadors to the Board**

A few years ago, the Board of Education invited two eighth grade students to be a part of the school board meeting as a way to include student voice in governance matters. Students in the position have offered their opinions on matters under consideration by the Board as well as delivering a school report to the public from a student's perspective. Last year, due to COVID-19, the student ambassadors were never seated based on the unknown surrounding the virus at the time.

This year, the Administration at Westfield has brought Eshaan Aggarwal and Cheyenne Pavia forward for this opportunity. These students were brought forward for this consideration because they consistently demonstrate the pillars of CHARACTER COUNTS!, they serve as great role models for their peers, they are both helpful to teachers and are responsible, honest and trustworthy young adults. Eshaan and Cheyenne both serve Westfield Middle School as Student Council Ambassadors for this school year as well.

It is my recommendation to the Board to approve Eshaan Aggarwal and Cheyenne Pavia as student ambassadors for the 2021-2022 school year.

**Recommendation:** The Board approve Eshaan Aggarwal and Cheyenne Pavia as student ambassadors for the 2021-2022 school year.
