To Whom It May Concern:

Please accept this letter in support for the Little Rock Military Academy.

As the Director of MEMS, I am excited about the beginning of the Little Rock Military Academy. With the stated focus of first responder electives concentration along with college-preparatory instructional framework the student is getting an excellent start toward a career.

The opportunity to partner and support a program that focuses on self-discipline, leadership, teamwork, health and physical fitness. I am also excited to learn that academies of this type have historically drawn significant numbers of students from underrepresented populations. This is also an area of focus for the first responder community.

I see nothing but good things for Central Arkansas with the Little Rock Military Academy. Thank you for your time and attention in this matter. If I can be of further assistance in any way, please do not hesitate to contact me.

Sincerely,

Greg Thompson FACPE

MEMS Executive Director
