Out of state travel - Seeking approval for 2 advisors and up to 30 students to travel to Chicago, IL June 25-July 3, 2022 to compete in the FBLA National Leadership Conference

Provide history/background information on your proposal:

Hidden Valley FBLA has a long and successful track record in FBLA. If we are allowed to travel and the conference is held in-person, we would like to take our FBLA qualifiers to the national competition

List the advantages of your proposal:

Students will get to compete against the best FBLA students in the nation. Students will benefit from traveling and meeting students from all across the national and 5 international countries. Students will also benefit from being able to see another part of this country; Chicago. All students are self-funding except for the typical School Board stipend of \$300 per qualifier.

List possible disadvantages of your proposal:

No disadvantages

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

No Alternatives, as the National Conference is held at this time in this specific location. We would not travel if the conference ended up being virtual.
