Dear Dr. Karen Fischer Gray,

Thank you to you and your entire district for your support of our First Annual Try All for All Games. The Parkrose High School stadium was the perfect venue for our event.

I could not be happier with the support we received from Andrea Stevenson, Sharie Lewis, Tom Dufrense, Dante Gouge, and others in your district.

This event touched the lives of over 100 students, their families, their teachers, their support staff, and community members alike.

We very much value the partnership that we have with the Parkrose School District and your commitment to doing what is best for students was evident at our games.
