Family Engagement Committee

The Family Engagement Committee was implemented starting the beginning of the 2023-2024 school year.

- ▶ The purpose of the committee was to expand the voices of our families -- providing another layer of input in addition to all other committees. Participants will weigh in with their feedback on key matters including safety, future calendar options, family requests/needs, volunteerism, and more.
- ▶ This committee is not a decision-making body for the district. Rather, it was established as an advisory committee to weigh in on key matters, preliminary plans and recommendations, and other needs as scheduled throughout each school year.
- ▶ Each campus is represented by 2 families and 2 campus staff members

PURPOSE:

Give our stakeholders a VOICE to drive continuous improvement across *THEIR* district, *THEIR* schools.
