Yvonne Finley, Secretary

Life at the Middle school continues to move at a fast pace. The teachers continue to prepare our students for the December 10, 2017 UIL contests in Seymour. Events include Science coached by Sallie Gilliam and Mary Brinley, Ready Writing and Oral Reading with Molly Turner, Ginny Turner has Number Sense, Trenton Boyd with Listening Skills, Christine Tidmore heads up Editorial Writing, and Torey Sparkman has Impromptu Speaking. Grant Browning works with Maps, Graphs, and Charts, Barbara McKinley has Spelling and Dictionary Skills, Pam Robinson is coaching Mathematics, Calculator, and Social Studies.

Middle School One Act Play will be at the Quanah High School auditorium on November 14th, under the direction of Karen Lance and Torey Sparkman. We will be competing against Seymour, Munday, and Electra.

Football season will finish with a game on November 9th at Munday. Basketball begins on November 13th against Olney. Volleyball and Cross Country finished with a strong season.

Students completed the first series of benchmark tests in October. Our students worked hard on the tests that were given over a two-day period and were exhausted at the end of the second day. Another benchmark test will be given in early March 2018.

Our percentage of attendance for sixth grade is 97%, seventh grade is 98.5%, and eighth grade is 97.7%.

The first round of walk-throughs for teachers has been completed with many encouraging things noted. The students were engaged with the teachers pushing them to do their best, and success is being obtained by most.
